

5 U.S.C. 552b(c)(10). Although the Commission has to date held few meetings, those that have been held concerned the adjudication of cases and could properly have been closed.

(b) *Procedure.* A meeting may be closed if a majority of either the members of the Commission or of a panel of three or more Commissioners votes by recorded vote at the beginning of such a meeting to close it to the public. The record of the vote shall reflect the vote of each voting member and shall be made available to the public. A public announcement of the time, place, and subject matter of the meeting shall be made at the earliest practicable time, except to the extent that such information is exempt from disclosure under 5 U.S.C. 552b(c). Section 2701.3 does not apply to meetings closed under this section.

§ 2702.1 Purpose and scope.

The Federal Mine Safety and Health Review Commission (Commission) is an independent agency with authority to adjudicate contests between the Mine Safety and Health Administration of the U.S. Department of Labor and private parties, as well as certain disputes solely between private parties, arising under the Federal Mine Safety and Health Act of 1977, 30 U.S.C. 801 *et seq.* The purpose of these rules is to establish procedures for implementing the Freedom of Information Act, 5 U.S.C. 552, as amended by the Electronic Free-

dom of Information Act Amendments of 1996, Pub. L. No. 104-231, 110 Stat. 3048; to provide guidance for those seeking to obtain information from the Commission; and to make all designated information readily available to the public. Additional guidance on obtaining information from the Commission can be found in the document entitled "Reference Guide for Obtaining Information from the Federal Mine Safety and Health Review Commission," which is available upon request from the Commission. The scope of these rules may be limited to requests for information that is not presently the subject of litigation before the Commission and that is not otherwise governed by the Commission's Procedural Rules at 29 CFR part 2700.

§ 2702.3 Requests for information.

(a) All requests for information should be in writing and should be mailed or delivered to Executive Director, Federal Mine Safety and Health Review Commission, 601 New Jersey Avenue, NW., Suite 9500, Washington, DC 20001. The words "Freedom of Information Act Request" should be printed on the face of the envelope. Requests for information shall describe the particular record requested to the fullest extent possible and specify the preferred form or format (including electronic formats) of the response. The Commission shall accommodate requesters as to form or format if the record is readily reproducible in the requested form or format. When requesters do not specify the preferred form or format of the response, the Commission shall respond in the form or format in which the record is most accessible to the Commission.
