(6) Deny a qualified individual with a disability the opportunity to participate as a member of planning or advisory boards;

(7) Otherwise limit a qualified individual with a disability in enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving any aid, benefit, service or training.

(b) A recipient may not deny a qualified individual with a disability the opportunity to participate in JTPA-funded programs or activities despite the existence of permissibly separate or different programs or activities.

(c) A recipient shall administer JTPA-funded programs and activities in the most integrated setting appropriate to the needs of qualified individuals with disabilities.

(d) A recipient may not, directly or through contractual or other arrangements, utilize criteria or administrative methods:

(1) That have the effect of subjecting qualified individuals with disabilities to discrimination on the ground of disability;

(2) That have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the JTPA-funded program or activity with respect to individuals with disabilities; or

(3) That perpetuate the discrimination of another entity if both entities are subject to common administrative control or are agencies of the same state.

(e) In determining the site or location of facilities, a grant applicant or recipient may not make selections with the purpose or effect of excluding individuals with disabilities from, denying them the benefits of, or otherwise subjecting them to discrimination under any JTPA-funded program or activity, or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the JTPA-funded program or activity or this part with respect to individuals with disabilities.

(f) As used in this section, references to the aid, benefit, service or training provided under a JTPA-funded program

or activity include any aid, benefit, service or training provided in or through a facility that has been constructed, expanded, altered, leased, rented, or otherwise acquired, in whole or in part, with Federal financial assistance under JTPA.

(g) The exclusion of an individual without a disability from the benefits of a program limited by Federal statute or Executive Order to individuals with disabilities or the exclusion of a specific class of individuals with disabilities from a program limited by Federal statute or Executive Order to a different class of individuals with disabilities is not prohibited by this part.

(h) This part does not require a recipient to provide to individuals with disabilities: personal devices, such as wheelchairs; individually prescribed devices, such as prescription eyeglasses or hearing aids; readers for personal use or study; or services of a personal nature including assistance in eating, toileting, or dressing.

§ 34.6 Communications with individuals with disabilities.

(a) Recipients shall take appropriate steps to ensure that communications with beneficiaries, applicants, eligible applicants, participants, applicants for employment, employees and members of the public who are individuals with disabilities, are as effective as communications with others.

(b) A recipient shall furnish appropriate auxiliary aids or services where necessary to afford individuals with disabilities an equal opportunity to participate in, and enjoy the benefits of, the JTPA-funded program or activity. In determining what type of auxiliary aid or service is necessary, such recipient shall give primary consideration to the requests of the individual with a disability.

(c) Where a recipient communicates with beneficiaries, applicants, eligible applicants, participants, applicants for employment and employees by telephone, telecommunications devices for individuals with hearing impairments (TDDs), or equally effective communications systems shall be used.

(d) A recipient shall ensure that interested persons, including persons with visual or hearing impairments,

can obtain information as to the existence and location of accessible services, activities, and facilities.

(e) A recipient shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(f) This section does not require a recipient to take any action that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens.

(1) In those circumstances where a recipient believes that the proposed action would fundamentally alter the JTPA-funded program, activity, or service, or would result in undue financial and administrative burdens, such recipient has the burden of proving that compliance with this section would result in such alteration or burdens.

(2) The decision that compliance would result in such alteration or burdens must be made by the recipient after considering all resources available for use in the funding and operation of the JTPA-funded program, activity, or service and must be accompanied by a written statement of the reasons for reaching that conclusion.

(3) If an action required to comply with this section would result in such an alteration or such burdens, the recipient shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the benefits or services provided by the recipient.

(c) *Employee selection procedures.* In implementing this section, a recipient shall comply with the Uniform Guidelines on Employee Selection Procedures, 41 CFR part 60-3.

(d) *Standards for employment-related investigations and reviews.* In any investigation or compliance review, the Director shall consider EEOC regulations, guidelines and appropriate case law in determining whether a recipient has engaged in an unlawful employment practice.

(e) As provided in § 34.1(c)(2) of this part, this rule does not affect in any way the obligation of recipients to comply with subparts B and C and appendix A of 29 CFR part 32, implementing the requirements of section 504 pertaining to employment practices and employment-related training, program accessibility, and accommodations. Therefore, this section should not be understood to constitute an exhaustive list of employment-related nondiscrimination and equal opportunity obligations on the ground of disability.

(f) Recipients that are also employers covered by titles I and II of the ADA should be aware of obligations imposed pursuant to those titles. See 29 CFR part 1630 and 28 CFR part 35.
