

§ 4011.6

§ 4011.6 Mergers, consolidations, and spinoffs.

In the case of a plan involved in a merger, consolidation, or spinoff transaction that becomes effective during a plan year, the plan administrator shall apply the requirements of section 4011 of ERISA and of this part for that plan year in a reasonable manner to ensure that the Participant Notice serves its statutory purpose.

§ 4011.7 Persons entitled to receive notice.

The plan administrator must provide the Participant Notice to each person who is a participant, a beneficiary of a deceased participant, an alternate payee under an applicable qualified domestic relations order (as defined in section 206(d)(3) of ERISA), or an employee organization that represents any group of participants for purposes of collective bargaining. To determine who is a person that must receive the Participant Notice for a plan year, the plan administrator may select any date during the period beginning with the last day of the previous plan year and ending with the day on which the Participant Notice for the plan year is due, provided that a change in the date from one plan year to the next does not exclude a substantial number of participants and beneficiaries.

§ 4011.8 Time of notice.

The plan administrator must issue the Participant Notice for a plan year no later than two months after the deadline (including extensions) for filing the annual report for the previous plan year (see § 2520.104a-5(a)(2) of this title). The plan administrator may change the date of issuance from one plan year to the next, provided that the effect of any change is not to avoid disclosing a minimum funding waiver under § 4011.10(b)(5) or a missed contribution under § 4011.10(b)(6). When the President of the United States declares that, under the Disaster Relief Act of 1974, as amended (42 U.S.C. 5121, 5122(2), 5141(b)), a major disaster exists, the PBGC may extend the due date for providing the Participant Notice by up to 180 days.
