

(b) *Example 2: where surviving beneficiary predeceases participant.* Ellen died before Charlie. As explained in §§ 4022.91(b) and 4022.93, because benefits do not continue after Charlie's death under the joint-and-survivor annuity, we would pay the back payment to the person(s) Charlie designated to receive any payments we might owe him at the time of his death. If Charlie did not designate anyone to receive those payments or his designee died before him, we would pay the back payment to the person(s) surviving Charlie in the following order: spouse, children, parents, estate and next of kin.

Subpart G—Certain-and-Continuous and Similar Annuity Payments Owed for Future Periods After Death

SOURCE: 67 FR 16958, Apr. 8, 2002, unless otherwise noted.

§ 4022.101 When do these rules apply?

(a) *In general.* These rules (§§ 4022.101 through 4022.104) apply only if you die—

(1) *Required payments for future periods.* Without having received all required payments for future periods under a form of annuity promising that, regardless of a participant's death, there will be annuity payments for a certain period of time (*e.g.*, a certain-and-continuous annuity) or until a certain amount is paid (*e.g.*, a cash-refund annuity or installment-refund annuity);

(2) *No surviving beneficiary.* Without a surviving beneficiary designated to receive the payments described in paragraph (a)(1) of this section; and

(3) *Time of death.* (i) On or after the date we take over your plan (as trustee); or

(ii) Before the date we take over your plan, to the extent that, by that date, the plan administrator has not paid any required payments for future periods.

(b) *Effect of plan or will.* These rules apply even if there is a contrary provision in a plan or will.

(c) *Payments owed at time of death.* See §§ 4022.91 through 4022.95 for rules that apply to benefits we may owe you at

the time of your death, such as a correction for monthly underpayments.

§ 4022.102 What definitions do I need to know for these rules?

You need to know three definitions from § 4001.2 of this chapter (PBGC, person, and plan) and the following definitions:

“We” means the PBGC.

“You” means the person who might die—

(1) Without having received all required payments for future periods under a form of annuity promising that, regardless of a participant's death, there will be annuity payments for a certain period of time (*e.g.*, a certain-and-continuous annuity) or until a certain amount is paid (*e.g.*, a cash-refund annuity or installment-refund annuity); and

(2) Without a surviving beneficiary designated to receive the payments described in paragraph (1) of this definition.

§ 4022.103 Who will get benefits if I die when payments for future periods under a certain-and-continuous or similar annuity are owed upon my death?

If you die at a time when payments are owed for future periods under a form of annuity promising that, regardless of a participant's death, there will be annuity payments for a certain period of time (*e.g.*, a certain-and-continuous annuity) or until a certain amount is paid (*e.g.*, a cash-refund annuity or installment-refund annuity), and there is no surviving beneficiary designated to receive such payments, we will pay the remaining payments to the person determined under the rules in § 4022.93.

§ 4022.104 Examples.

The following examples show how the rules in §§ 4022.101 through 4022.103 and 4022.91 through 4022.94 apply in the case of a certain-and-continuous annuity.

(a) *C&C annuity with no underpayment.* At the time of his death, Charlie was receiving payments (in the correct amount) under a 5-year certain-and-continuous annuity. Charlie designated Ellen to receive any payments we might owe for periods after his death (but did not designate an alternate beneficiary to

receive those payments in case Ellen died before him). Charlie died with three years of payments remaining.

(1) *Example 1: where surviving beneficiary predeceases participant.* Ellen died before Charlie. As explained in §§ 4022.103 and 4022.93, we would pay the remaining three years of payments to the person(s) surviving Charlie in the following order: spouse, children, parents, estate and next of kin.

(2) *Example 2: where surviving beneficiary dies during certain period.* Ellen survived Charlie and lived another year. We pay Ellen one year of payments. As explained in §§ 4022.103 and 4022.93, we would pay the remaining two years of payments to the person Ellen designated to receive any payments we might owe for periods after Ellen's death. If Ellen did not designate anyone to receive those payments or her designee died before her, we would pay the remaining year of payments to the person(s) surviving Ellen in the following order: spouse, children, parents, estate, next of kin.

(b) *C&C annuity with underpayment.* At the time of his death, Charlie was receiving payments under a 5-year certain-and-continuous annuity. Charlie designated Ellen to receive any payments we might owe for periods after his death. We underpaid Charlie for periods before his death. At the time of his death, we owed Charlie a back payment to reimburse him for those underpayments.

(1) *Example 3: where participant dies during certain period.* Charlie died with three years of payments remaining. Ellen survived Charlie and lived at least another three years. We pay Ellen the remaining three years of payments. As explained in § 4022.91(b), because Ellen is entitled to survivor benefits under the certain-and-continuous annuity, we would pay Ellen the back payment for the underpayments to Charlie (and for any underpayments to Ellen).

(2) *Example 4: where participant and surviving beneficiary die during certain period.* Charlie died with three years of payments remaining. Ellen survived Charlie and lived another year. We paid Ellen one year of payments. Ellen designated Jean to receive any payments we might owe for periods after Ellen's death. Jean survived Ellen and lives at least another two years. We pay Jean the remaining two years of payments. As explained in § 4022.91(b), because Jean is entitled to survivor benefits under the certain-and-continuous annuity, we would pay Jean the back payment for the underpayments to Charlie (and for any underpayments to Ellen).

(3) *Example 5: where participant dies after certain period.* Charlie died after receiving seven years of payments. As explained in §§ 4022.91(b) and 4022.93, because benefits do not continue after Charlie's death under the certain-and-continuous annuity, we would pay the back payment to the person(s) Char-

lie designated to receive any payments we might owe him at the time of his death in case he died after the end of certain period. If Charlie did not designate anyone to receive those payments or his designee died before him, we would pay the back payment to the person(s) surviving Charlie in the following order: spouse, children, parents, estate and next of kin.
