The exclusion does not include the use of such machinery for the transportation of any worker under any other circumstances.

(b) *Exclusion for immediate family transporting family members.* The standards of this subpart do not apply to an individual migrant or seasonal agricultural worker when the only other occupants of that individual's vehicle consist of his immediate family members as defined in § 500.20(o).

Carpooling, however, does not include any transportation arrangement in which a farm labor contractor participates.
