

## § 57.4

(i) Travel to and from school and between schools, including travel necessary to permit participation in educational and recreational activities and related services.

(ii) Travel in and around school buildings.

(3) Specialized equipment, including special or adapted buses, lifts, and ramps, if required to provide transportation for a child with a disability.

(aaaa) *Traumatic Brain Injury*. An acquired injury to the brain caused by an external physical force resulting in total or partial functional disability or psychosocial impairment that adversely affects educational performance. That term includes open or closed head injuries resulting in mild, moderate, or severe impairments in one or more areas including cognition, language, memory, attention, reasoning, abstract thinking, judgment, problem solving, sensory, perceptual and motor abilities, psychosocial behavior, physical function, information processing, and speech. That term does not include brain injuries that are congenital or degenerative, or brain injuries that are induced by birth trauma.

(bbbb) *Vision Services*. Services necessary to habilitate or rehabilitate the effects of sensory impairment resulting from a loss of vision.

(cccc) *Visual Impairment*. An impairment of vision that, even with correction, adversely affects a child's educational performance. That term includes both partial sight and blindness.

(dddd) *Vocational Education*. Organized educational programs for the preparation of individuals for paid or unpaid employment or for additional preparation for a career requiring other than a baccalaureate or advanced degree.

(eeee) *Weapon*. Items carried, presented, or used in the presence of other persons in a manner likely to make reasonable persons fear for their safety. They include, but are not limited to, guns, look-alike (replica) guns, knives, razors, box or carpet cutters, slingshots, nunchucks, any flailing instrument such as a fighting chain or heavy studded or chain belt, objects designed to project a missile, explosives, mace, pepper spray, or any other similar propellant, or any other object con-

cealed, displayed, or brandished in a manner that reasonably provokes fear.

### § 57.4 Policy.

It is DoD policy that:

(a) Eligible infants and toddlers with disabilities and their families shall be provided EIS consistent with appendix A of this part.

(b) Eligible children with disabilities, ages 3 through 21 years, inclusive, shall be provided a FAPE in the least restrictive environment, consistent with appendix B of this part.

(c) The Military Medical Departments and DoDDS shall cooperate in the delivery of related services to eligible children with disabilities, ages 3 through 21 years, inclusive, that require such services to benefit from special education. Related services assigned to the Military Medical Departments are defined in § 57.3 and are provided in accordance with appendix C of this part. DDESS is responsible for the delivery of all related services to eligible children with disabilities, ages 3 through 21 years, inclusive, served by DDESS.

(d) The Military Medical Departments shall provide EIS in both domestic and overseas areas, and related services assigned to them in overseas areas, at the same priority as medical care is provided to active duty military members.

### § 57.5 Responsibilities.

(a) *The Under Secretary of Defense (Personnel and Readiness) (USD (P&R))* shall:

(1) Establish a DoD-AP consistent with appendix D of this part.

(2) Establish and chair, or designate a "Chair," of the DoD-CC consistent with appendix E of this part.

(3) Ensure that inter-Component agreements or other mechanisms for inter-Component coordination are in effect between the DoD Components providing services to infants, toddlers and children.

(4) Ensure the implementation of procedural safeguards consistent with appendix F of this part.

(5) In consultation with the General Counsel of the Department of Defense (GC, DoD) and the Secretaries of the Military Departments:
