

(2) *Space-required, tuition-paying education.* Dependents not specifically authorized tuition-free education in paragraph (b)(1) of this section, or in §71.5 of this part, when such dependents were enrolled in schools operated by the former Canal Zone Government on September 30, 1979, regardless of affiliation or citizenship of sponsors. This provision applies only for uninterrupted enrollments.

(c) Persons may be enrolled in the Panama Canal College under the conditions and in the priority listed below:

(1) *Tuition-paying, DoD-sponsored education.* All students at the Panama Canal College attend on a tuition-paying basis. The Department of Defense may assume a portion of the tuition cost for full-time students who are minor dependents of:

(i) Military DoD sponsors who are on active duty and stationed in the Republic of Panama.

(ii) Civilian DoD sponsors stationed in the Republic of Panama who are paid from appropriated funds and who have been lawfully accorded the privilege of residing permanently in the United States as immigrants in accordance with the United States immigration laws (8 U.S.C. "Aliens and Nationality").

(iii) Members of the Military Services who are detained by a foreign power or declared missing in action or otherwise unlawfully detained for as long as the detention or missing status continues to exist. Under these circumstances, authorization for the dependents to remain in the College with DoD tuition assistance must be obtained from DoDDS officials and the local military commander.

(iv) If a sponsor discussed in paragraph (c)(1) (i), (ii), or (iii) of this section, is transferred, retires, or dies during the college semester, the sponsor's dependents may complete the current semester, but subsequently shall lose their eligibility to attend the Panama Canal College.

(2) *Tuition-paying—other.* At the discretion of the Director, DoDDS, or designee, and when consistent with the local military commander's policy concerning access to the area of military coordination and agreements with the Republic of Panama, the following cat-

egories of persons may be enrolled at the Panama Canal College on a full- or part-time basis, in the priority given below provided the applicant meets academic admissions requirements.

(i) Active duty members of the Military Services who are stationed in Panama and family members living with them (unless authorized DoD-sponsored education under paragraph (c)(1) of this section).

(ii) U.S.-citizens employees of the Department of Defense and other U.S. Government agencies, including the Panama Canal Commission, and family members living with them (unless authorized DoD-sponsored education under paragraph (c)(1) of this section).

(iii) Host-nation or third-country citizen employees of the Panama Canal Commission or other U.S. Government agency, district dentists, religious workers, and family members living with them, when such persons were enrolled in a Canal Zone school on a tuition-free basis or under the sponsorship of the former Canal Zone Government/Panama Canal Company on September 30, 1979, as was then authorized for residents of the former Canal Zone.

(iv) Minor dependents of Canal Zone Government/Panama Canal Company host-nation or third-country citizen employees separated through reduction in force action and not reemployed by another U.S. Government agency, when such dependents were enrolled in the former Canal Zone school system on September 30, 1979.

(v) U.S. citizens not specifically addressed above who reside in the Republic of Panama.

(vi) Host-nation and third-country citizens not specifically addressed above who reside in the Republic of Panama when there is no objection from the government of Panama and when such inclusion does not displace or prevent inclusion of U.S. citizens seeking admission on the same basis at the same time.
