ment to benefits administered by the Veterans Administration due to discharge from the military service as a conscientious objector under certain conditions. I understand that a discharge as a conscientious objector, who refused to perform military duty or otherwise to comply with lawful orders of competent military authority, shall bar all rights, based upon the period of service from which discharged, under any laws administered by the Veterans Administration except my legal entitlement (if any) to any war risks, government (converted) or National Service Life Insurance.

## § 75.11 Statement (counseling concerning designation as conscientious objector).

I have been counseled concerning designation as a conscientious objector. Based on my religious training and belief, I consider myself to be a conscientious objector within the meaning of the statute and regulations governing conscientious objectors and am conscientiously opposed to participation in combatant training and service. I request assignment to noncombatant duties for the remainder of my term of service. I fully understand that on expiration of my current term of service I am not eligible for voluntary enlistment, reenlistment, or active service in the Armed Forces.

(b) Encourage and assist Service members requesting retirement with fewer than 20 years of service to register for public and community service employment.

**§ 77.2 Applicability and scope.**

This part applies to:
