

## § 80.4

## 32 CFR Ch. I (7-1-06 Edition)

voice impairment, or a disorder in the receptive or expressive areas of language that adversely affects a preschool child's or child's educational performance.

(bbb) *Superintendent*. The chief official of a Section 6 School Arrangement responsible for the implementation of this part on his or her installation.

(ccc) *Transition services*. A coordinated set of activities for a toddler that may be required to promote movement from early intervention, preschool, and other educational programs into different programs or educational settings. For a student 14 years of age and older, transition services are designed within an outcome-oriented process, which promotes movement from school to post-school activities, including post-secondary education, vocational training, integrated employment (including supported employment), continuing and adult education, adult services, independent living, or community participation. The coordinated set of activities shall be based upon the individual student's needs, taking into account the student's preferences and interests, and shall include instruction, community experiences, the development of employment and other post-school adult living objectives, and when appropriate, acquisition of daily living skills and functional vocational evaluation.

(ddd) *Traumatic brain injury*. An injury to the brain caused by an external physical force or by an internal occurrence, such as stroke or aneurysm, resulting in total or partial functional disability or psychosocial maladjustment that adversely affects educational performance. The term includes open or closed head injuries resulting in mild, moderate, or severe impairments in one or more areas, including cognition; language, memory; attention; reasoning; abstract thinking; judgment; problem solving; sensory; perceptual and motor abilities; psychosocial behavior; physical function; and information processing and speech. The term does not include brain injuries that are congenital or degenerative or brain injuries that are induced by birth trauma.

(eee) *Vision services*. Services necessary to ameliorate the effects of sen-

sory impairment resulting from a loss of vision.

(fff) *Visual impairment*. A sensory impairment including blindness that, even with correction, adversely affects a preschool child's or child's educational performance. The term includes both partially seeing and blind preschool children and children.

### § 80.4 Policy.

It is DoD policy that:

(a) All individuals with disabilities ages 3 to 21 years receiving or entitled to receive educational instruction from the Section 6 School Arrangements shall be provided a free, appropriate education under this part in accordance with the IDEA as amended, 20 U.S.C. Chapter 33; Pub. L. 102-119, Section 23; and DoD Directive 1342.21.

(b) All individuals with disabilities ages birth through 2 years (inclusive) and their families are entitled to receive early intervention services under this part, provided that such infants and toddlers would be eligible to enroll in a Section 6 School Arrangement but for their age.

### § 80.5 Responsibilities.

(a) The Under Secretary of Defense for Personnel and Readiness (USD(P&R)) shall:

(1) Ensure that all infants and toddlers with disabilities (birth through 2 years inclusive) who but for their age would be eligible to attend the Section 6 Arrangement Schools, and their families are provided early intervention services in accordance with IDEA as amended, (20 U.S.C., Chapter 33, Subchapter VIII.) and in conformity with the procedures in appendix A to this part.

(2) Ensure that preschool children and children with disabilities ages 3-21 years (inclusive) receiving educational instruction from Section 6 School Arrangements are provided a free appropriate public education and that the educational needs of such preschool children and children with disabilities are met using the procedures established by this part.

(3) Ensure that educational facilities and services provided by Section 6 School Arrangements for preschool children and children with disabilities
