

(B) A document which establishes that the former member has made an official admission or statement acknowledging paternity or responsibility for support of a child before a court of competent jurisdiction, administrative or executive agency, or official authorized to receive it; or

(C) A court summons, judicial order, or similar document of a court within the United States in a case concerning the adoption of an illegitimate child; wherein the former serviceman is alleged to be the father.

(ii) If the claimant, with the corroboration of a physician's affidavit, alleges and explains an unusual medical situation which makes it essential to obtain information from the alleged father to protect the physical health of either the prospective mother or the unborn child.

## PART 85—HEALTH PROMOTION

Sec.

- 85.1 Purpose.
- 85.2 Applicability and scope.
- 85.3 Definitions.
- 85.4 Policy.
- 85.5 Responsibilities.
- 85.6 Procedures.

AUTHORITY: 5 U.S.C. 301.

SOURCE: 53 FR 33123, Aug. 30, 1988, unless otherwise noted.

### § 85.1 Purpose.

(a) This part establishes a health promotion policy within the Department of Defense to improve and maintain military readiness and the quality of life of DoD personnel and other beneficiaries.

(b) This part replaces 32 CFR part 203 and establishes policy on smoking in DoD occupied buildings and facilities.

### § 85.2 Applicability and scope.

(a) This part applies to the Office of the Secretary of Defense (OSD), the Military Departments, and the Defense Agencies.

(b) It is directed to all military personnel and retirees, their families, and, where specified, to civilian employees.

### § 85.3 Definitions.

*Health Promotion.* Any combination of health education and related organiza-

tional, social, economic or health care interventions designed to facilitate behavioral and environmental alterations that will improve or protect health. It includes those activities intended to support and influence individuals in managing their own health through lifestyle decisions and selfcare. Operationally, health promotion includes smoking prevention and cessation, physical fitness, nutrition, stress management, alcohol and drug abuse prevention, and early identification of hypertension.

*Lifestyle.* The aggregated habits and behaviors of individuals.

*Military Personnel.* Includes all U.S. military personnel on active duty, U.S. National Guard or Reserve personnel on active duty, and Military Service Academy cadets and midshipmen.

*Self-Care.* Includes acceptance of responsibility for maintaining personal health, and decisions concerning medical care that are appropriate for the individual to make.

*Target Populations.* Military personnel, retirees, their families, and civilian employees.

### § 85.4 Policy.

It is DoD policy to:

(a) Encourage military personnel, retirees, their families and civilian employees to live healthy lives through an integrated, coordinated and comprehensive health promotion program.

(b) Foster an environment that enhances the development of healthful lifestyles and high unit performance.

(c) Recognize the right of individuals working or visiting in DoD occupied buildings to an environment reasonably free of contaminants.

(d) Disallow DoD Components' participation with manufacturers or distributors of alcohol or tobacco products in promotional programs, activities, or contests aimed primarily at DoD personnel. This does not prevent accepting support from these manufacturers or distributors for worthwhile programs benefiting military personnel when no advertised cooperation between the Department of Defense and
