

§ 76.129 How does a consolidated grant work?

(a) An Insular Area shall use the funds it receives under a consolidated grant to carry out, in its jurisdiction, one or more of the programs included in the grant.

Example. Assume that Guam applies for a consolidated grant under the Vocational Education Act, the Handicapped Preschool and School Programs-Incentive Grants, and the Adult Education Act and that the sum of the allocations under these programs is \$700,000. Guam may choose to allocate this \$700,000 among all of the programs authorized under the three programs. Alternatively, it may choose to allocate the entire \$700,000 to one or two of the programs; for example, the Adult Education Act Program.

(b) An Insular Area shall comply with the statutory and regulatory requirements that apply to each program under which funds from the consolidated grant are expended.

Example. Assume that American Samoa uses part of the funds under a consolidated grant for the State program under the Adult Education Act. American Samoa need not submit to the Secretary a State plan that requires policies and procedures to assure all students equal access to adult education programs. However, in carrying out the program, American Samoa must meet and be able to demonstrate compliance with this equal access requirement.

§ 76.130 How are consolidated grants made?

(a) The Secretary annually makes a single consolidated grant to each Insular Area that meets the requirements of §§ 76.125 through 76.137 and each program under which the grant funds are to be used and administered.

(b) The Secretary may decide that one or more programs cannot be included in the consolidated grant if the Secretary determines that the Insular Area failed to meet the program objectives stated in its plan for the previous fiscal year in which it carried out the programs.

(c) Under a consolidated grant, an Insular Area may use a single advisory council for any or all of the programs that require an advisory council.

(d) Although Pub. L. 95-134 authorizes the Secretary to consolidate grant funds that the Department awards to an Insular Area, it does not confer eligibility for any grant funds. The eligibility of a particular Insular Area to receive grant funds under a Federal education program is determined under the statute and regulations for that program.

(4) Contains a budget that includes a description of the allocation of funds—including any anticipated carryover funds of the program in the consolidated grant from the preceding year—
