

§ 1.6

36 CFR Ch. I (7-1-06 Edition)

necessary and a finding that the termination will not adversely impact park resources. This determination shall be available to the public upon request.

(d) To implement a public use limit, the superintendent may establish a permit, registration, or reservation system. Permits shall be issued in accordance with the criteria and procedures of § 1.6 of this chapter.

(e) Except in emergency situations, the public will be informed of closures, designations, and use or activity restrictions or conditions, visiting hours, public use limits, public use limit procedures, and the termination or relaxation of such, in accordance with § 1.7 of this chapter.

(f) Violating a closure, designation, use or activity restriction or condition, schedule of visiting hours, or public use limit is prohibited.

§ 1.6 Permits.

(a) When authorized by regulations set forth in this chapter, the superintendent may issue a permit to authorize an otherwise prohibited or restricted activity or impose a public use limit. The activity authorized by a permit shall be consistent with applicable legislation, Federal regulations and administrative policies, and based upon a determination that public health and safety, environmental or scenic values, natural or cultural resources, scientific research, implementation of management responsibilities, proper allocation and use of facilities, or the avoidance of conflict among visitor use activities will not be adversely impacted.

(b) Except as otherwise provided, application for a permit shall be submitted to the superintendent during normal business hours.

(c) The public will be informed of the existence of a permit requirement in accordance with § 1.7 of this chapter.

(d) Unless otherwise provided for by the regulations in this chapter, the superintendent shall deny a permit that has been properly applied for only upon a determination that the designated capacity for an area or facility would be exceeded; or that one or more of the factors set forth in paragraph (a) of this section would be adversely im-

acted. The basis for denial shall be provided to the applicant upon request.

(e) The superintendent shall include in a permit the terms and conditions that the superintendent deems necessary to protect park resources or public safety and may also include terms or conditions established pursuant to the authority of any other section of this chapter.

(f) A compilation of those activities requiring a permit shall be maintained by the superintendent and available to the public upon request.

(g) The following are prohibited:

(1) Engaging in an activity subject to a permit requirement imposed pursuant to this section without obtaining a permit; or

(2) Violating a term or condition of a permit issued pursuant to this section.

(h) Violating a term or condition of a permit issued pursuant to this section may also result in the suspension or revocation of the permit by the superintendent.

§ 1.7 Public notice.

(a) Whenever the authority of § 1.5(a) is invoked to restrict or control a public use or activity, to relax or revoke an existing restriction or control, to designate all or a portion of a park area as open or closed, or to require a permit to implement a public use limit, the public shall be notified by one or more of the following methods:

(1) Signs posted at conspicuous locations, such as normal points of entry and reasonable intervals along the boundary of the affected park locale.

(2) Maps available in the office of the superintendent and other places convenient to the public.

(3) Publication in a newspaper of general circulation in the affected area.

(4) Other appropriate methods, such as the removal of closure signs, use of electronic media, park brochures, maps and handouts.

(b) In addition to the above-described notification procedures, the superintendent shall compile in writing all the designations, closures, permit requirements and other restrictions imposed under discretionary authority.
