§ 18.1 What is the authority and purpose for this part?

16 U.S.C. 1 *et seq.*, particularly 16 U.S.C. 1a–2(k), and, 16 U.S.C. 470h–3 are the authorities for this part. These authorities allow the Director (or delegated officials) to lease certain federally owned or administered property located within the boundaries of park areas. All leases to be entered into by the Director under these authorities are subject to the requirements of this

part, except that, proposed leases that were solicited pursuant to this part prior to January 28, 2002, may be executed in accordance with the terms of the solicitation.

§ 18.2 What definitions do you need to know to understand this part?

In addition to the definitions contained in 36 CFR Part 1, the following definitions apply to this part:

(a) *Associated property* means land and/or structures (e.g., parking lots, retaining walls, walkways, infrastructure facilities, farm fields) related to a building or buildings and their functional use and occupancy.

(b) *Building* means an enclosed structure located within the boundaries of a park area and constructed with walls and a roof to serve a residential, industrial, commercial, agricultural or other human use.

Determinations of fair market value rent under this part are to be made taking into account the considerations stated in § 18.5.
