the expected delay and of the additional time deemed necessary to reach a decision. The Secretary's approval shall remain effective so long as the zoning ordinances or amendments thereto remain in effect as approved.

(f) Nothing contained in the regulations in this part or in the zoning ordinances or amendments adopted for the Whiskeytown Unit to implement the regulations in this part shall preclude the Secretary from exercising his power of condemnation at any time with respect to property other than "improved property" as defined herein. Nor shall the regulations in this part preclude the Secretary from otherwise fulfilling the responsibilities vested in him by the act authorizing establishment of the Whiskeytown-Shasta-Trinity National Recreation Area, by the Act of August 25, 1916 (39 Stat. 535, 16 U.S.C. 3), as amended and supplemented, and such other statutory authorities relating to the National Park System.

§ 30.2 General provisions.

(a) Following issuance of the regulations in this part, Shasta County shall submit to the Secretary for his approval, all zoning ordinances and amendments thereto duly adopted by the county which are in force and applicable to property within the Whiskeytown Unit and which demonstrate conformity with the standards contained in the regulations in this part. This shall include any ordinances and amendments in effect prior to the issuance of the regulations in this part which demonstrate such conformity and any that have been adopted specifically to implement the regulations in this part.

(b) Any new uses, and the location, design and scope of any new developments, permitted under the regulations in this part shall be harmonized with adjacent uses, developments and the natural features and shall be consistent with the current Master Plan proposed or adopted by the National Park Service for the Whiskeytown Unit, so as to minimize disruption of the natural scene and to further the public recreational purposes of the aforesaid establishment act for this unit.

(c) Zoning ordinances for the districts hereinafter prescribed shall conform to the general and specific standards contained in the regulations in this part to assure that use and development of the lands within the Whiskeytown Unit are consistent with the objectives of the Congress to protect and preserve the values of the lands in such unit for public use and enjoyment, as set out in the Act of November 8, 1965 (79 Stat. 1295). Except as otherwise provided herein, no additional or increased commercial or industrial uses are permitted within these districts. Any existing nonconforming commercial or industrial uses shall be discontinued within 10 years from the date of this section: *Provided, however,* That with the approval of the Secretary such 10-year period may be extended by the county for an additional period of time sufficient to allow the owner a reasonable opportunity to amortize investments made in the property before November 8, 1965.

§ 30.3 Recreation District I.

(a) Definition. This district shall comprise all those portions of the Whiskeytown Unit of the Whiskeytown-Shasta-Trinity National Recreation Area delineated as "Recreation District I" on a map bearing the identification NRA-WHI1000, and dated August 1966.

(b) The following uses are permitted in Recreation District I provided the Shasta County Planning Commission has issued a use permit in each case:

(1) Single-family dwellings, not including tents and trailers, but including servants' quarters in the same structure or in an accessory dwelling, and one noncommercial guest house. Such residential uses shall meet the following requirements:

(i) Minimum building site area—3 acres; but a lesser acreage may be utilized for this purpose if, on or before February 7, 1963, the site was in separate ownership and within a recorded subdivision.

(ii) Maximum building height—35 feet.

(iii) Minimum frontage—150 feet.

(iv) Minimum front yard setback—75 feet.

§ 30.4

36 CFR Ch. I (7-1-06 Edition)

(v) Minimum side yard setback—50 feet.

(vi) Minimum rear yard setback—25 feet.

(vii) Maximum percentage of lot coverage permitted—10 percent.

(2) Moving, alteration, or improvement of existing residences or accessory structures provided there is compliance with the acreage, frontage, setback, density, height, and other requirements prescribed for residential uses under paragraph (b)(1) of this section, *And provided, further*, That such moving alteration, or improvement does not alter the residential character of the premises. Any moving, alteration or improvement of such structures that would result in a deviation from these prescribed limitations and requirements would subject the property to acquisition without consent of the owner, unless the Secretary has waived such limitations or requirements.

(3) Tree farming under a timber management plan that conforms to the California Forest Practices Act.

(4) Riding stables.

(5) Campgrounds, organizational camps and picnic areas.

(6) Limited agricultural uses such as truck gardening, provided these uses do not require the extensive cutting or clearing of wooded areas and are not otherwise destructive of natural or recreational values.

(7) Clearing and removal of trees, shrubbery, and other vegetation to the extent necessary in order to permit the exercise of a use otherwise allowed within this district.

(8) Recreational pursuits such as horseshoe pitching, archery, croquet, tennis, softball, volley ball, and similar outdoor game-type activities compatible with the recreational purposes of the area.

(9) Religious and educational uses.

(10) Removal of gravel, sand, and rock or other alteration of the landscape to the minimum extent necessary for the construction of an access road to the property on which a use is permitted. In all other circumstances, such removal or alteration shall be permitted only to the minimum extent necessary to make possible the exer-

cise of a use otherwise permitted in this district.

(11) Signs that are appurtenant to any permitted use and which (i) do not exceed 1 square foot in area for any residential use; (ii) do not exceed 4 square feet in area for any other use, including advertisement of the sale or rental of property; and (iii) which are not illuminated by any neon or flashing device. Such signs may be placed only on the property on which the advertised use occurs, or on the property which is advertised for sale or rental. Signs shall be subdued in appearance, harmonizing in design and color with the surroundings and shall not be attached to any tree or shrub. Nonconforming signs may continue such nonconformity until they are destroyed, moved, structurally altered or redesigned, but the period of such nonconformity may not exceed 2 years from the date a zoning ordinance containing this limitation is adopted by Shasta County.

(12) Accessory uses and temporary removable structures appurtenant to any permitted use.

(c) Any use not included above as a permitted use shall be deemed a prohibited use. Moreover, all land within the boundaries of the Whiskeytown Unit, except certain “improved property” as defined herein, will be acquired by the United States as rapidly as appropriated funds are made available therefor and before any development occurs thereon. Any property that is developed before such acquisition takes place will be subject to acquisition by the Secretary without consent of the owner.
