(i) Agricultural pursuits such as crop farming, grazing, animal husbandry, nurseries, and greenhouses.

(ii) Stands for retail sales of products produced on the premises.

(iii) Measures to promote conservation of soil, water, and vegetation, including reforestation and tree stand improvement, and measures to reduce fire hazards.

(iv) Public or privately operated parks and playgrounds.

(v) Trailer campgrounds.

(vi) Golf courses.

(vii) Heliports, provided they are located and screened so their operations will cause a minimum of interference with public recreational use and enjoyment of the area.

(viii) Accessory structures, facilities, and utilities as necessary to make possible the exercise of any use otherwise permitted.

(c) Structures developed for the exercise of the additional uses listed under paragraph (b)(2) of this section shall not exceed two stories in height (35 feet), shall have a minimum principal use area of 5 acres, and shall have a front yard setback of not less than 100 feet from the nearest right-of-way line of a road or street. However, a lesser area than 5 acres may be utilized for such purposes if the property in question was in separate ownership on February 7, 1963.

(d) Any use not included above as a permitted use shall be deemed a prohibited use. Moreover, all land within the boundaries of the Whiskeytown Unit, except certain "improved property" as defined herein, will be acquired by the United States as rapidly as appropriated funds are made available therefor and before any development occurs thereon. Any property that is developed before such acquisition takes place will be subject to acquisition by the Secretary without consent of the owner.

§ 30.5 Variances, exceptions, and use permits.

(a) Zoning ordinances or amendments thereto, for the zoning districts comprising the Whiskeytown Unit of the Whiskeytown-Shasta-Trinity National Recreation Area may provide for the granting of variances and exceptions.

(b) Zoning ordinances or amendments thereto for each of the districts established by the regulations in this part shall contain provisions advising applicants for variances and exceptions that, under section 2(f) of the Act of November 8, 1965, the authority of the Secretary to acquire "improved property" without the owner's consent would be reinstated (1) if such property is made the subject of a variance or exception to any applicable zoning ordinance that does not conform to any applicable standard contained in the regulations in this part; or (2) if such property is put to any use which does not conform to any applicable zoning ordinance approved by the Secretary.

(c) The Shasta County Planning Commission, or private owners of "improved property" may consult the Secretary as to whether the grant of any proposed variance or exception would terminate the suspension of his authority to acquire the affected property without consent of the owner, and may request the approval of a variance or exception by the Secretary: *Provided*, The Secretary is notified in writing at least 30 days in advance of the hearing on the application for the variance or exception. The Secretary within 30 days after the receipt of a request for approval of a variance or exception, shall advise the owner or the Commission whether or not the intended use will subject the property to acquisition by condemnation. If more than 30 days is required by the Secretary for such determination, he shall so notify the owner or Commission, stating the additional time required and the reasons therefor.

(d) The Secretary shall be given written notice of any variance granted under, or exception made to the application of, a zoning ordinance or amendment thereof approved by him. The Secretary shall be provided a copy of every use permit granted by the Shasta

County Planning Commission authorizing any use or development of lands within the boundaries of the Whiskeytown Unit of the recreation area.
