

guidance are part of the larger “Secretary of the Interior’s Standards and Guidelines for Archeology and Historic Preservation.” The SHPO may determine that additional professional staff members representing the required or other disciplines are necessary to administer the State program in accordance with the Act.

(2) The Secretary will consider proposals from a SHPO for a minimum required staff composition that differs from the requirement that paragraph (e)(1) of this section specifies, if the proposal addresses better an appropriate balance of historic property, customer or constituent, and historic preservation needs in that State.

(3) When a staff position that paragraph (e)(1) of this section requires becomes vacant, the SHPO must fill the vacancy in a timely manner. In the interim, the SHPO must ensure that appropriately qualified individuals address technical matters. A vacancy in a required position that persists for more than six months is cause for review, comment, and appropriate action by the Secretary.

(f) Unless State law provides for a different method of appointment, the SHPO must appoint an adequate and qualified State historic preservation Review Board (Review Board).

(1) All Review Board members must have demonstrated competence, interest, or knowledge in historic preservation. A majority of Review Board members must meet “the Secretary of the Interior’s (Historic Preservation) Professional Qualifications Standards” which are part of the larger “Secretary’s Standards and Guidelines for Archeology and Historic Preservation.” The members meeting “the Secretary’s (Historic Preservation) Professional Qualifications Standards” must include at a minimum, one individual meeting “the Secretary’s (Historic Preservation) Professional Qualifications Standards” for history, one individual meeting “the Secretary’s (Historic Preservation) Professional Qualifications Standards” for prehistoric archeology or historic archeology, and one individual meeting “the Secretary’s (Historic Preservation) Professional Qualifications Standards” for architectural history. One person may

meet the Standards for more than one required discipline. The other Review Board members, if any, who comprise the majority that meets “the Secretary’s (Historic Preservation) Professional Qualifications Standards” may represent, subject to the SHPO’s selection, any of the disciplines that those “Standards” describe.

(2) The Secretary will consider proposals from a SHPO for a minimum required Review Board composition that differs from the requirement that paragraph (f)(1) of this section specifies, if the proposal addresses better an appropriate balance of historic property, customer or constituent, and historic preservation needs in that State.

(3) When a required Review Board position becomes vacant, the SHPO must fill the vacancy in a timely manner. In the interim, the SHPO must ensure that the Review Board has access to advice from appropriately qualified individuals. A lapse of more than one year in filling the vacancy is cause for review, comment, and appropriate action by the Secretary.

(4) The Review Board must meet as often as is necessary to complete its work in a timely fashion but no less often than once a year.

(5) The Review Board must adopt written procedures governing its operations consistent with the provisions of this section and related guidance that the National Park Service issues.

(6) Review Board responsibilities include, but are not limited to, the following:

(i) Providing advice to the SHPO on the full range of Historic Preservation Fund-supported activities, that section 101 (b)(3) of the Act describes;

(ii) Reviewing and making recommendations on National Register nomination proposals;

(iii) Participating in the review of appeals to National Register nominations; and

(iv) Performing such other duties as may be appropriate.

#### §61.5 Grants to State programs.

(a) Each State with an approved State program is eligible for grants-in-aid from the Historic Preservation Fund (HPF).

## National Park Service, Interior

## § 61.6

(b) The National Park Service (NPS) will administer HPF matching grants-in-aid in accordance with the Act, OMB Circular A-133 and 43 CFR part 12, and related guidance that NPS issues. Failure by a State program to meet these requirements is cause for comment and appropriate action by the Secretary.

### § 61.6 Certified local government programs.

(a) Each approved State program must provide a mechanism for certification (by the State Historic Preservation Officer and the Secretary) of local governments to carry out the purposes of the Act.

(b) Each State Historic Preservation Officer (SHPO) must follow procedures that the Secretary approves for the certification of local governments. Each SHPO also must follow procedures for removal of certified local government (CLG) status for cause. A SHPO must submit any proposed amendment to its procedures to the Secretary for approval. The Secretary will act on each proposal in a timely fashion generally within 45 days of receipt.

(c) When a SHPO approves a local government certification request in accordance with the State program's National Park Service (NPS)-approved certification process, the SHPO must prepare a written certification agreement between the SHPO and the local government. The certification agreement must list the specific responsibilities of the local government when certified. The SHPO must submit to the Secretary the written certification agreement and any additional information as is necessary for the Secretary to certify the local government pursuant to the Act and this part. If the Secretary does not disapprove the proposed certification within 15 working days of receipt, the Secretary has certified the local government.

(d) Beyond the minimum responsibilities set out in the Act for all CLGs, the SHPO may make additional delegations of responsibility to individual CLGs. However, these delegations may not include the SHPO's overall responsibility derived from the Act or where law or regulation specifies.

(e) The SHPO must ensure that each local government satisfies the following minimum requirements as conditions for certification. Each CLG must:

(1) Enforce appropriate State or local legislation for the designation and protection of historic properties. The State procedures must define what constitutes appropriate legislation, as long as:

(i) Designation provisions in such legislation include the identification and registration of properties for protection that meet criteria established by the State or the locality for significant historic and prehistoric resources within the jurisdiction of the local government;

(ii) Protection provisions in such legislation include a local review process under State or local law for proposed demolitions of, changes to, or other action that may affect historic properties as paragraph (e)(1)(i) of this section describes; and

(iii) The legislation otherwise is consistent with the Act.

(2) Establish by State or local law and maintain an adequate and qualified historic preservation review commission (Commission). All Commission members must have a demonstrated interest, competence, or knowledge in historic preservation. Unless State or local legislation provides for a different method of appointment, the chief elected local official must appoint all Commission members.

(i) The State procedures must encourage certified local governments to include individuals who meet "the Secretary's (Historic Preservation) Professional Qualifications Standards" among the membership of the Commission, to the extent that such individuals are available in the community.

(ii) The State procedures may specify the minimum number of Commission members who must meet "the Secretary's (Historic Preservation) Professional Qualifications Standards." The State procedures may also specify which, if any, disciplines the Commission's membership must include from among those disciplines that the Standards describe. Membership requirements set by the State procedures for Commissions must be cognizant of
