

§ 64.7

36 CFR Ch. I (7-1-06 Edition)

now administered by the Federal agency proposing acquisition.

(3) A map showing the location of the property in relation to land now administered by the Federal agency proposing acquisition.

(4) The real property interest proposed for acquisition.

(5) An environmental assessment of the acquisition and subsequent development, if proposed.

(6) A citation of the statutory or other authority under which the land would be acquired and a discussion of how the proposed acquisition is in accord with the authority for acquisition.

(7) The funds being requested for the project including a summary of the estimated cost of the land and costs incidental to acquisition.

(8) A discussion of how acquisition of the rights-of-way and subsequent development embodies the selection criteria outlined in § 64.8.

(d) *Preapplication.* (1) Projects sponsored by State, local, or Federal applicants shall be submitted to the appropriate Bureau of Outdoor Recreation Regional Office.

(2) Projects will be considered for funding on a quarterly basis until available funds have been obligated to approved projects. The first project submission quarter will begin with the first of the fiscal year. Funds not utilized in one quarter will be available for the next. Once all funds have been obligated, projects will not be accepted until additional appropriations become available.

§ 64.7 Project selection and funding procedures.

(a) The Bureau of Outdoor Recreation Regional Office will review all preapplications and Federal proposals to insure application completeness and eligibility. A copy of eligible preapplications or Federal proposals and supporting information and data will be submitted to the Washington Office of BOR for final review and selection. An information copy of each project preapplication and proposal will be submitted to the State Liaison Officer designated to coordinate Land and Water Conservation Fund activities.

(b) The Washington Office of the Bureau of Outdoor Recreation will evaluate all projects submitted by the Regional Offices. Final selection of projects to be funded shall be by the Director of the Bureau of Outdoor Recreation.

(c) State and local projects selected for funding will be approved and funds obligated by the appropriate Regional Director. Funds will not be obligated until the Bureau has met with the applicant to discuss the terms, conditions, and procedures required by the grant.

(d) Federal agency sponsored projects will be funded by transfer of funds from the Bureau of Outdoor Recreation to the sponsoring agency up to the amount of the project cost as shown in the agency's approved application.

§ 64.8 Project selection criteria.

Those projects which best meet the following criteria will be selected to receive assistance:

(a) Projects which have cleared abandonment procedures and for which sufficient control and tenure of land can be assured, in order that the project can be accomplished shortly after project approval.

(b) Projects which are located or originate in Standard Metropolitan Statistical Areas.

(c) The degree to which the project results in a facility which demonstrates maximum beneficial public use of the property acquired. (For example, the diversity of recreation/conservation opportunities provided.)

(d) The ease of accessibility to large numbers of potential users.

(e) The effectiveness of the project in enhancing existing Federal, State, or local recreation/conservation resources. (For example, the ability of the project to tie together existing recreation/conservation resources.)

(f) Whether use of the right-of-way for recreation/conservation purposes has been identified in existing State, Federal, or local plans.
