bulky, lengthy, or out-of-size documents in the appeal file when a party has shown that doing so would impose an undue burden. At the time a party files with the Board a document as to which such a waiver has been granted, he shall notify the other party that the same or a copy is available for inspection at the offices of the Board or of the party filing same.

(e) *Status of documents in appeal file.* Documents contained in the appeal file are considered, without further action by the parties, as part of the record upon which the Board will render its decision, unless a party objects to the consideration of a particular document in advance of hearing or of settling the record in the event there is no hearing on the appeal. If objection to a document is made, the Board will rule upon its admissibility into the record as evidence in accordance with §§ 955.14 and 955.21.

## § 955.6 Dismissal for lack of jurisdiction.

Any motion addressed to the jurisdiction of the Board shall be promptly filed. Hearing on the motion shall be afforded on application of either party, unless the Board determines that its decision on the motion will be deferred pending hearing on both the merits and the motion. The Board shall have the right at any time and on its own motion to raise the issue of its jurisdiction to proceed with a particular case, and shall do so by an appropriate order, affording the parties an opportunity to be heard thereon.

## § 955.7 Pleadings.

(a) *Appellant.* Within 30 days after receipt of notice of docketing of the appeal, the appellant shall file with the Board an original and one copy of a complaint setting forth simple, concise and direct statements of each of his claims, alleging the basis, with appropriate reference to contract provisions, for each claim, and the dollar amount claimed. appellant's claim and appeal may, if in the opinion of the Board the issues before the Board are sufficiently defined, be deemed to set forth his complaint and the respondent shall be so notified.

(b) *Respondent.* Within 30 days from receipt of said complaint, or the aforesaid notice from the Board, respondent shall prepare and file with the Board an original and one copy of an answer thereto, setting forth simple, concise, and direct statements of respondent's defenses to each claim asserted by appellant. This pleading shall fulfill the generally recognized requirements of an answer, and shall set forth any affirmative defenses or counter-claims as appropriate. Upon receipt thereof, the Board shall serve a copy upon appellant. Should the answer not be received within 30 days, the Board may, in its discretion, enter a general denial on behalf of the Government, and the appellant shall be so notified.

## § 955.8 Amendments of pleadings or record.

(a) The Board upon its own initiative or upon application by a party may, in its discretion, order a party to make a more definite statement of the complaint or answer, or to reply to an answer.

(b) The Board may, in its discretion, and within the proper scope of the appeal, permit either party to amend his pleading upon conditions just to both parties. When issues within the proper scope of the appeal, but not raised by the pleadings or the documentation described in § 955.5, are tried by express or implied consent of the parties, or by permission of the Board, they shall be treated in all respects as if they had been raised therein. In such instances, motions to amend the pleadings to conform to the proof may be entered, but are not required. If evidence is objected to at a hearing on the ground that it is not within the issues raised by the pleadings or the documentation required pursuant to § 955.5 (which shall be deemed part of the pleadings for this purpose), it may be admitted within the proper scope of the appeal, provided, however, that the objecting party may be granted a continuance if necessary to enable him to meet such evidence.
