§ 302-8.108

§ 302-8.101 What are the criteria for determining whether an official station is an isolated official station for purposes of this part?

(a) As determined by your agency, an official station at an isolated location is a place of permanent duty assignment in CONUS at which you have no alternative except to live where you are unable to use your HHG because:

(1) The type of quarters you are required to occupy at the isolated official station will not accommodate your HHG; or

(2) Residence quarters which would accommodate your HHG are not available within reasonable daily commuting distance of the official station.

(b) The designation of an official station as isolated in accordance with paragraph (a) of this section shall not preclude a determination in individual instances that adequate housing is available for some employees stationed there based on housing which may be available within daily commuting distance and the size and other characteristics of each employee's immediate family. In such instances the station shall not be considered isolated with regard to you if your agency determines adequate family housing is available for you.

NOTE TO § 302-8.101: Heads of agencies concerned are responsible for designating the isolated official station at which conditions exist for allowing extended storage of HHG at Government expense for some or all employees.

§ 302-8.102 Am I eligible for extended storage of HHG and personal effects?

§ 302-8.104 What are the allowable costs for storage?

§ 302-8.105 May I transport a portion of my HHG to the official station and store the remainder at Government expense?

§ 302-8.200

housing conditions at your isolated official station warrant continuation of storage;

(b) Eligibility for extended storage at Government expense will terminate on your last day of active duty at the isolated official station. However your HHG may remain in temporary storage for an additional period of time not to exceed 90 days, if approved by your agency.

(c) When eligibility ceases, storage at Government expense may continue until the beginning of the second month after the month in which your tour at the official station OCONUS terminates, unless to avoid inequity your agency extends the period.

Subpart C—Extended Storage During Assignment Outside the Continental United States (OCONUS)

§ 302-8.200 Am I eligible for extended storage during assignment OCONUS?

(b) Your agency authorizes it as being in the public interest; or
