The written statement should include as a minimum:

(1) A statement of the purpose for requesting the records, and

(2) Certification that the records will be used only for statistical purposes.

These written statements shall be maintained as records. In addition to stripping, personally identifying information from records released for statistical purpose, the Committee will ensure that the identity of the individual cannot reasonably be deduced by combining various statistical records.

The accounting will include the date, nature, and purpose of each disclosure, and the name and address of the person or agency to whom the disclosure is made.

(b) The accounting will be recorded and maintained in any manner the Executive Director determines is satisfactory for the purposes of constructing a listing of all disclosures, and for providing a cross reference to the justification or basis upon which the disclosure was made, including written documentation required when records are released for statistical or law enforcement purposes and any written consents provided by the individual.
