

(ii) Name and address of the contractor who committed the alleged violation;

(iii) The facts showing that the individual is disabled or has a history of a disability or was regarded by the contractor as having a disability;

(iv) A description of the act or acts considered to be a violation, including the pertinent dates (in the case of an alleged continuing violation, the earliest and most recent date that the alleged violation occurred should be stated); and

(v) Other pertinent information available which will assist in the investigation and resolution of the complaint, including the name of any known Federal agency with which the employer has contracted.

(2) *Third party complaints.* A complaint filed by an authorized representative need not identify by name the person on whose behalf it is filed. The person filing the complaint, however, shall provide OFCCP with the name, address and telephone number of the person on whose behalf it is made, and the other information specified in paragraph (c)(1) of this section. OFCCP shall verify the authorization of such a complaint by the person on whose behalf the complaint is made. Any such person may request that OFCCP keep his or her identity confidential, and OFCCP will protect the individual's confidentiality wherever that is possible given the facts and circumstances in the complaint.

(d) *Incomplete information.* Where a complaint contains incomplete information, OFCCP shall seek the needed information from the complainant. If the information is not furnished to OFCCP within 60 days of the date of such request, the case may be closed.

(e) *Investigations.* The Department of Labor shall institute a prompt investigation of each complaint.

(f) *Resolution of matters.* (1) If the complaint investigation finds no violation of the act or this part, or if the Deputy Assistant Secretary decides not to refer the matter to the Solicitor of Labor for enforcement proceedings against the contractor pursuant to § 60-741.65(a)(1), the complainant and contractor shall be so notified. The Deputy Assistant Secretary, on his or her own

initiative, may reconsider his or her determination or the determination of any of his or her designated officers who have authority to issue Notifications of Results of Investigation.

(2) The Deputy Assistant Secretary will review all determinations of no violation that involve complaints that are not also cognizable under title I of the Americans with Disabilities Act.

(3) In cases where the Deputy Assistant Secretary decides to reconsider the determination of a Notification of Results of Investigation, the Deputy Assistant Secretary shall provide prompt notification of his or her intent to reconsider, which is effective upon issuance, and his or her final determination after reconsideration, to the person claiming to be aggrieved, the person making the complaint on behalf of such person, if any, and the contractor.

(4) If the investigation finds a violation of the act or this part, OFCCP shall invite the contractor to participate in conciliation discussions pursuant to § 60-741.62.

#### § 60-741.62 Conciliation agreements.

If a compliance evaluation, complaint investigation or other review by OFCCP finds a material violation of the Act or this part, and if the contractor is willing to correct the violations and/or deficiencies, and if OFCCP determines that settlement on that basis (rather than referral for consideration of formal enforcement) is appropriate, a written conciliation agreement will be required. The agreement shall provide for such remedial action as may be necessary to correct the violations and/or deficiencies noted, including, where appropriate (but not necessarily limited to) such make whole remedies as back pay and retroactive seniority. The agreement shall also specify the time period for completion of the remedial action; the period shall be no longer than the minimum period necessary to complete the action.
