approved by the Director, in duplicate, showing his operations under the lease and his gross receipts thereunder from the sale of live animals and pelts for the preceding lease year. ### § 2916.2-2 Assignments and subleases.

A proposed assignment on a lease, in whole or in part, or a sublease, must be filed in duplicate with the proper office within 90 days from the date of its execution; must contain all of the terms and conditions agreed upon by the parties thereto; and must be supported by a statement that the assignee or sublessee agrees to be bound by the provisions of the lease. The assignee or sublessee must submit with the assignment or sublease the information or statements required by § 2916.2-1(b) (1), (2), (4), (5), (10), and (11). No assignment or sublease will be recognized unless and until approved by the authorizing officer.

(Sec. 2, 44 Stat. 822; 48 U.S.C. 361)

### § 2916.2-3 Renewal of leases.

Upon an application filed in the proper office within 90 days preceding the expiration date of the lease, if it is determined that a renewal lease should be granted, the lessee will be offered such lease by the authorized officer, upon such terms and conditions and for such duration as may be fixed, not exceeding 10 years. The filing of an application for renewal does not confer on the lessee any preference right to a renewal. The timely filing of an application will, however authorize the exclusive fur-farming use of the lands by the lessee in accordance with the terms of the prior lease pending final action on the renewal application.

### § 2916.2-4 Termination of lease; cancellation.

(a) *Action by authorized officer.* (1) The authorized officer may terminate a lease at the request of the lessee if the lessee shall make satisfactory showing that such termination will not adversely affect the public interest and

that he has paid all charges due the Government thereunder.

(2) A lease may be canceled if the lessee shall fail to comply with any of the provisions of this part or of the lease, or shall devote the lease area primarily to any purpose other than the rearing of fur-bearing animals as authorized. No lease will be canceled until the lessee has been formally notified of such default and such default shall continue for 60 days after service of such notice.

(b) *Removal of improvements and personal property.* (1) Improvements or personal property may not be removed from the lands, except fur-bearing animals disposed of in the regular course of business, unless all moneys due the United States under the lease have been paid. The lessee shall be allowed 90 days from the date of expiration or termination of the lease within which to remove his personal property and such improvements as are not disposed of in the manner set forth in paragraph (b)(2) of this section, which he has a right to remove; if not removed or otherwise disposed of within the said period, such improvements or personal property shall become the property of the United States.

(2) Upon the expiration of the lease or the earlier termination thereof, the authorizing officer may, in his discretion and upon a written petition filed by the lessee within 30 days from the date of such expiration or termination, require the subsequent lease applicant, prior to the execution of a new lease, to agree to compensate the lessee for any improvements of a permanent nature that he may have placed upon the leased area for fur-farming purposes during the period of the lease. If the interested parties are unable to reach an agreement as to the amount of compensation, the amount shall be fixed by the authorizing officer. All such agreements to be effective, must be approved by the authorizing officer. The failure of the subsequent lessee to pay the former lessee in accordance with such agreement will be just cause for cancellation of the lease.
