

Bureau of Land Management, Interior

§ 3110.5-1

acres or 4 full contiguous sections, whichever is larger, where the lands have been surveyed under the rectangular survey system or are within an approved protracted survey, except where the offer includes all available lands within the subject section and there are no contiguous lands available for lease. Where an offer exceeds the minimum 640-acre provision of this paragraph, the offer may include less than all available lands in any given section. Cornering lands are not considered contiguous lands. This paragraph shall not apply to offers made under § 3108.2-4 of this title or where the offer is filed on an entire parcel as it was offered by the Bureau in a competitive sale during that period specified under § 3110.5-1 of this title.

(b) An offer to lease public domain or acquired lands may not include more than 10,240 acres. The lands in an offer shall be entirely within an area of 6 miles square or within an area not exceeding 6 surveyed sections in length or width measured in cardinal directions. An offer to lease acquired lands may exceed the 6 mile square limit if:

(1) The lands are not surveyed under the rectangular survey system of public land surveys and are not within the area of the public land surveys; and

(2) The tract desired is described by the acquisition or tract number assigned by the acquiring agency and less than 50 percent of the tract lies outside the 6 mile square area, and such acquisition or tract number is provided in accordance with § 3110.5-2(d) of this title in lieu of any other description.

(c) If an offer exceeds the 10,240 acre maximum by not more than 160 acres, the offeror shall be granted 30 days from notice of the excess to withdraw the excess acreage from the offer, failing which the offer shall be rejected and priority lost.

§ 3110.4 Requirements for offer.

(a) An offer to lease shall be made on a current form approved by the Director, or on unofficial copies of that form in current use. For noncompetitive leases processed under § 3108.2-4 of this title, the current lease form shall be used. Copies shall be exact reproductions on 1 page of both sides of the official approved form, without additions,

omissions, or other changes, or advertising. The original copy of each offer must be typed or printed plainly in ink, signed in ink and dated by the offeror or an authorized agent, and must include payment of the first year's rental and the processing fee for noncompetitive lease applications found in the fee schedule in § 3000.12 of this chapter. The original and 2 copies of each offer to lease, with each copy showing that the original has been signed, shall be filed in the proper BLM office. A noncompetitive offer to lease a future interest applied for under § 3110.9 must include the processing fee for noncompetitive lease applications found in the fee schedule in § 3000.12 of this chapter. Where remittances for offers are returned for insufficient funds, the offer shall not obtain priority of filing until the date the remittance is properly made.

(b) Where a correction to an offer is made, whether at the option of the offeror or at the request of the authorized officer, it shall gain priority as of the date the filing is correct and complete. The priority that existed before the date the corrected offer is filed, may be defeated by an intervening offer to the extent of any conflict in such offers, except as provided under §§ 3103.2-1(a) and 3110.3-3(c) of this title.

(c) An offer shall be limited to either public domain minerals or acquired lands minerals, subject to the provisions for corrections under paragraph (b) of this section.

(d) Compliance with subpart 3102 shall be required.

(e) All offers for leases should name the United States agency from which consent to the issuance of a lease shall be obtained, or the agency that may have title records covering the ownership for the mineral interest involved, and identify the project, if any, of which the lands covered by the offer are a part.
