

**Bureau of Land Management, Interior**

**§ 3211.10**

**§ 3210.18 May BLM readjust the terms and conditions in my lease?**

Yes, we may readjust the terms and conditions of your lease regarding stipulations and surface disturbance requirements. We may do this 10 years after you begin production from your lease, and at not less than 10-year intervals thereafter. If another Federal agency manages the lands' surface, we will ask that agency to review the related terms and conditions and propose any readjustments. Once BLM and the surface managing agency reach agreement, we will apply the readjustments to your lease.

**§ 3210.19 How will BLM readjust the terms and conditions in my lease?**

(a) We will give you a written proposal to adjust the terms and conditions of your lease. You will have 30 days after you receive the proposal to object in writing to the new terms or relinquish your lease. If you do not do this, these new terms will become part of your lease. If you do object in writing, we will issue a final decision on the new terms and conditions.

(b) BLM will set the date that your new terms and conditions become effective.

**§ 3210.20 May BLM readjust the rental and royalty rates in my lease?**

(a) We may readjust your lease rental and royalty rates at not less than 20-year intervals beginning 35 years after we determine that your lease is producing in commercial quantities. We will not increase your rental and royalty rates by more than 50 percent of what you paid before BLM adjusted the rate. Also, we will not raise the royalty rate above 22.5 percent.

(b) BLM will notify you in writing of the proposed adjustments. You have 30 days after the date you receive the notice to object to the new rate. If we do not receive your written objection within 30 days, the new rate will become a part of your lease. If you do object in writing, we will issue a final decision on the new rental and royalty rate.

(c) We will set the date that your new terms and conditions become effective.

**§ 3210.21 What if I appeal BLM's decision to adjust my lease terms?**

If you appeal our decision to adjust your lease terms and conditions, rental or royalty rate, the decision is effective during the appeal. If you win your appeal and we must change our decision, you will receive a refund or credit for any overpaid rents or royalties.

**§ 3210.22 Must I prevent drainage of geothermal resources from my lease?**

Yes, you must prevent the drainage of geothermal resources from your lease by diligently drilling and producing wells which will protect the Federal geothermal resource from loss caused by production from other properties.

**§ 3210.23 What will BLM do if I do not protect my lease from drainage?**

We will determine the amount of geothermal resources drained from your lease. MMS will bill you for a compensatory royalty based on our findings. This royalty will equal the amount you would have paid for producing those resources. All interest owners in a lease are jointly and severally liable for drainage protection and any compensatory royalties.

**Subpart 3211—Fees, Rent, and Royalties**

**§ 3211.10 What are the fees, rent, and minimum royalties for leases?**

(a) BLM calculates rents and minimum royalties based on the amount of acreage covered by your lease. First, round up any partial acreage to the next whole acre. For example, rent on a 2,456.39 acre lease is calculated based on 2,457 acres. Then multiply the total number of acres covered by your lease by the appropriate amount set out in the chart in paragraph (b) of this section to determine the amount you owe.

(b) Use the following table to determine the fees, rents, and minimum royalties owed for your lease:
