

§ 3809.423

43 CFR Ch. II (10–1–06 Edition)

as described in §§ 3809.600 through 3809.605 of this subpart.

[66 FR 54862, Oct. 30, 2001]

§ 3809.423 How long does my plan of operations remain in effect?

Your plan of operations remains in effect as long as you are conducting operations, unless BLM suspends or revokes your plan of operations for failure to comply with this subpart.

§ 3809.424 What are my obligations if I stop conducting operations?

(a) To see what you must do if you stop conducting operations, follow this table:

If—	Then—
(1) You stop conducting operations for any period of time.	(1) You must follow your approved interim management plan submitted under § 3809.401(b)(5); (ii) You must submit a modification to your interim management plan to BLM within 30 calendar days if it does not cover the circumstances of your temporary closure per § 3809.431(a); (iii) You must take all necessary actions to assure that unnecessary or undue degradation does not occur; and (iv) You must maintain an adequate financial guarantee.
(2) The period of non-operation is likely to cause unnecessary or undue degradation.	The BLM will require you to take all necessary actions to assure that unnecessary or undue degradation does not occur, including requiring you, after an extended period of non-operation for other than seasonal operations, to remove all structures, equipment, and other facilities and reclaim the project area.
(3) Your operations are inactive for 5 consecutive years.	BLM will review your operations and determine whether BLM should terminate your plan of operations and direct final reclamation and closure.
(4) BLM determines that you abandoned your operations.	BLM may initiate forfeiture under § 3809.595. If the amount of the financial guarantee is inadequate to cover the costs of reclamation, BLM may complete the reclamation, and the operator and all other responsible persons are liable for the costs of such reclamation. See § 3809.336(a) for indicators of abandonment.
