

Bureau of Reclamation, Interior

§ 423.38

that must be paid before the impounded animal is released to its owner.

(d) The following animals are prohibited and are subject to removal in accordance with Federal law, and applicable state and local laws:

(1) Captive wild or exotic animals (including, but not limited to, cougars, lions, bears, bobcats, wolves, and snakes), except as allowed by a permit issued under subpart D of this part 423; and

(2) Any pets or animals displaying vicious or aggressive behavior or posing a threat to public safety or deemed a public nuisance.

§ 423.36 Swimming.

(a) You may swim, wade, snorkel, scuba dive, raft, or tube at your own risk in Reclamation waters, except:

(1) Within 300 yards of dams, power plants, pumping plants, spillways, stilling basins, gates, intake structures, and outlet works;

(2) Within 100 yards of buoys or barriers marking public access limits;

(3) In canals, laterals, siphons, tunnels, and drainage works; or

(4) At public docks, launching sites, and designated mooring areas.

(b) You must display an international diver down, or inland diving flag in accordance with state and U.S. Coast Guard guidelines when engaging in any underwater activities.

(c) You must not dive, jump, or swing from dams, spillways, bridges, cables, towers, or other structures.

§ 423.37 Winter activities.

(a) You must not tow persons on skis, sleds, or other sliding devices with a motor vehicle or snowmobile, except that you may tow sleds designed to be towed behind snowmobiles if joined to the towing snowmobile with a rigid hitching mechanism, and you may tow disabled snowmobiles by any appropriate means.

(b) You must not ice skate, ice fish, or ice sail within 300 yards of dams, power plants, pumping plants, spillways, stilling basins, gates, intake structures, or outlet works.

§ 423.38 Operating vessels on Reclamation waters.

(a) You must comply with Federal, state, and local laws applicable to the operation of a vessel or other watercraft on Reclamation waters, and with any restrictions established by an authorized official.

(b) You must not operate a vessel in an area closed to the public.

(c) You must observe restrictions established by signs, buoys, and other regulatory markers.

(d) You must not operate a vessel, or knowingly allow another person to operate a vessel, in a reckless or negligent manner, or in a manner that endangers or is likely to endanger a person, property, natural resource, or cultural resource.

(e) You must not operate a vessel when impaired or intoxicated under the standards established by applicable state and local law.

(f) You must not occupy a vessel overnight, except where otherwise designated under applicable Federal, state, or local law, or where otherwise designated by an authorized official in a special use area.

(g) You must not use a vessel as a place of habitation or residence.

(h) You must not place or operate a vessel on a Reclamation waterbody for a fee or profit, except as allowed by contract or permit issued pursuant to subpart D of this part 423.

(i) You must remove your vessels from Reclamation lands and waters when not in actual use for a period of more than 24 hours, unless they are securely moored or stored at special use areas so designated by an authorized official.

(j) You must not attach or anchor a vessel to structures such as locks, dams, regulatory or navigational buoys, or other structures not designed for such purpose.

(k) You must display an international diver down, or inland diving flag in accordance with state and U.S. Coast Guard guidelines when operating a vessel involved in any underwater activities.

(l) You may engage in towing activities, including but not limited to waterskiing and tubing, only during

§ 423.39

daylight hours and subject to any applicable Federal, state, and local law.

§ 423.39 Standards for vessels.

(a) All vessels on Reclamation waters must:

(1) Be constructed and maintained in compliance with the standards and requirements established by, or promulgated under, Title 46 United States Code, and any applicable state and local laws and regulations;

(2) Have safety equipment, including personal flotation devices, on board in compliance with U.S. Coast Guard boating safety requirements and in compliance with applicable state and local boating safety laws and regulations; and

(3) If motorized, have and utilize a proper and effective exhaust muffler as defined by applicable state and local laws. Actions or devices which render exhaust mufflers ineffective are prohibited.

(b) Owners or operators of vessels not in compliance with this § 423.39 may be required to remove the vessel immediately from Reclamation waterbodies until items of non-compliance are corrected.

§ 423.40 Vehicles.

(a) When operating a vehicle on Reclamation lands and Reclamation projects, you must comply with applicable Federal, state, and local laws, and with posted restrictions and regulations. Operating any vehicle through, around, or beyond a restrictive sign, recognizable barricade, fence, or traffic control barricade, is prohibited.

(b) You must not park a vehicle in violation of posted restrictions and regulations, or in a manner that would obstruct or impede normal or emergency traffic movement or the parking of other vehicles, create a safety hazard, or endanger any person, property, or natural feature. Vehicles so parked are subject to removal and impoundment at the owner's expense.

(c) You must not operate any vehicle, or allow another person to operate a vehicle in your control, in a careless, negligent or reckless manner that would endanger any person, property, natural resource, or cultural resource.

43 CFR, Subtitle B, Ch. I (10-1-06 Edition)

(d) In addition to the regulations in this part, the regulations governing off-road-vehicle use in 43 CFR part 420 apply.

§ 423.41 Aircraft.

(a) You must not takeoff or land an aircraft on Reclamation lands or waterbodies except in special use areas so designated by an authorized official. This paragraph does not apply to pilots engaged in emergency rescue or in the official business of Federal, state, or local governments or law enforcement agencies, or who are forced to land due to circumstances beyond the pilot's control.

(b) You must not operate any aircraft while on or above Reclamation facilities, lands, and waterbodies in a careless, negligent, or reckless manner so as to endanger any person, property, or natural feature.

(c) This section does not provide authority to deviate from Federal or state regulations, or prescribed standards, including, but not limited to, regulations and standards concerning pilot certifications or ratings and airspace requirements.

(d) Except in extreme emergencies threatening human life or serious property loss, you must not use non-standard boarding and loading procedures to deliver or retrieve people, material, or equipment by parachute, balloon, helicopter, or other aircraft.

(e) Operation of aircraft on or over Reclamation lands and waterbodies is at the risk of the aircraft owner, pilot, and passenger(s).

(f) You must comply with all applicable U.S. Coast Guard rules and § 423.38 when operating a seaplane on Reclamation waterbodies.

(g) You must securely moor any seaplane remaining on Reclamation waterbodies in excess of 24 hours at mooring facilities and locations designated by an authorized official. Seaplanes may be moored for periods of less than 24 hours on Reclamation waterbodies, except in special use areas otherwise designated by an authorized official, provided:

(1) The mooring is safe, secure, and accomplished so as not to damage the rights of the Government or the safety of persons; and
