### § 233.29 How monthly reports are treated and what notices are required.

(a) *What happens if a completed monthly report is received on time.* When the agency receives a completed monthly report by the date specified in § 233.28 it shall process the payment. The agency shall notify the recipient of any changes from the prior payment and the basis for its determinations. This notice must meet the requirements of § 205.10(a)(4)(i)(B) of this chapter on adequate notice if the payment is being reduced or assistance is being terminated. This notice must be received by the recipient no later than his or her resulting payment or in lieu of the payment.

(b) *What happens if the completed monthly report is received before the extension deadline.* (1) If the completed monthly report is not received by the date specified in § 233.28, the agency shall send a notice to the recipient. This notice shall inform him or her that the monthly report is overdue or is not complete and that he or she has at least 10 additional days to file. It must inform the recipient that termination may result if that is the agency's policy, if the report is not filed within the extension period. This notice must reach the recipient at least 10 days before the expected payment. However, in States in which the date specified in § 233.28 is within 10 days of the expected payment date, the notice must reach the recipient on or before the expected payment date.
