

### § 31.3

number is the individual's social security number.

*Tax refund offset* means withholding or reducing a tax refund payment by an amount necessary to satisfy a debt owed to the United States by the payee(s) of a tax refund payment.

*Tax refund payment* means any overpayment of Federal taxes to be refunded to the person making the overpayment after the IRS makes the appropriate credits as provided in 26 U.S.C. 6402 for any liabilities for any tax on the part of the person who made the overpayment.

#### § 31.3 General rule.

(a) Any past-due, legally enforceable debt of at least \$25, or such other minimum amount as determined by the Secretary of the Treasury, shall be submitted to FMS for collection by tax refund offset.

(b) FMS will compare tax refund payment records, as certified by the IRS, with records of debts submitted by the Department under this part. A match will occur when the taxpayer identification number and name of a payment certification record are the same as the taxpayer identifying number and name control of a debtor record. When a match occurs and all other requirements for tax refund offset have been met, FMS will reduce the amount of any tax refund payment payable to a debtor by the amount of any past-due legally enforceable debt. Any amounts not offset will be paid to the payee(s) listed in the payment certification record.

#### § 31.4 Certification and referral of debt.

(a) *Certification.* The Secretary shall certify to FMS that:

(1) The debt is past-due and legally enforceable in the amount submitted and that the Department will ensure that collections are properly credited to the debt;

(2) Except in the case of a judgment debt or as otherwise allowed by law, the debt is referred within ten (10) years after the Department's right of action accrues;

(3) The Department has made reasonable efforts to obtain payment of the debt, and has:

For purposes of this regulation, the Department has made a reasonable attempt to notify the debtor if the agency uses the current address information contained in the Department's records related to the debt. If address validation is desired or necessary, the Department may obtain information from the IRS pursuant to 26 U.S.C. 6103(m)(2)(4) or (5).
