- (b) *Applications.* (1) The application for inspection and issuance of a certificate or certificates is made on the appropriate form listed in §2.01-1, or by letter, to the Officer in Charge, Marine Inspection, in or nearest the port at which the inspection is to be made and shall be signed by the master or agent of the vessel. The certificates previously issued are surrendered at the time the inspection is performed. Further details are set forth in subchapter D (Tank Vessels), subchapter H (Passenger Vessels), subchapter I (Cargo and Miscellaneous Vessels), subchapter K (Small Passenger Vessels Carrying more than 150 Passengers or with overnight accommodations for more than 49 Passengers), subchapter L (Offshore Supply Vessels), subchapter O (Certain Bulk Dangerous Cargoes), and subchapter T (Small Passenger Vessels), of this chapter.

(2) For vessels other than passenger vessels, you must contact the local office of the Federal Communications Commission to apply for the inspection concerning the issuance of a Cargo Ship Safety Radio Certificate.

(c) *Certificates issued.* (1) If a vessel meets the applicable requirements of the Convention, it shall be issued appropriate certificates listed in paragraph (a) of this section. These certificates describe the vessel and state the vessel is in compliance with the applicable requirements of the Convention.

(2) The completed Form CG-969 may be exhibited in explanation of the failure of the passenger ship to have on board a current Passenger Ship Safety Certificate. This completed form CG-969 may be accepted as prima facie evidence that the passenger ship described therein is in compliance with the applicable requirements of the Convention.

(e) *Exempted vessel.* (1) A vessel may be exempted by the Commandant from complying with certain requirements of the Convention under his administration upon request made in writing to him and transmitted via the Officer in Charge, Marine Inspection. In such case the exemptions are stated in the Exemption Certificate, which is issued by the Commandant through the appropriate Officer in Charge, Marine Inspection.

(2) The Federal Communications Commission issues the Exemption Certificate, which modifies the Cargo Ship Safety Radio Certificate.
