

§ 67.55

chain of title. The owner must provide evidence which establishes:

(1) The facts of build in accordance with subpart F of this part; and

(2) A complete chain of title for the vessel from the person for whom the vessel was built to the present owner, accompanied by competent and persuasive evidence establishing the citizenship of each entity in the chain of title.

§ 67.55 Requirement for removal from foreign registry.

The owner of a vessel must present evidence of removal of the vessel from foreign registry whenever:

(a) The owner applies for initial documentation of a vessel that has at any time been registered under the laws of a foreign country; or

(b) The owner applies for reentry into documentation of a vessel that had been registered under the laws of a foreign country since it was last documented under the laws of the United States.

§ 67.57 Extent of title evidence required for initial documentation.

(a) Vessels never registered under any system:

(1) Where a coastwise or Great Lakes endorsement is sought, the only title evidence required for a vessel being documented by the owner for whom it was built is the certification of the builder (form CG-1261) described in § 67.99. Any other applicant must present title evidence in accordance with § 67.53(d).

(2) Where a fishery endorsement is sought, the only title evidence required for a vessel being documented by the owner for whom it was built is the certification of the builder (form CG-1261) described in § 67.99. Any other applicant must present title evidence in accordance with either paragraph (c) or (d) of § 67.53.

(3) Where a registry or recreational endorsement is sought, the only title evidence required for a vessel being documented by the first owner of the vessel is the certification of the builder (form CG-1261) described in § 67.99, or a Manufacturer's Certificate of Origin. Any other applicant must also present title evidence in accordance with either paragraph (c)(2) or (d)(2) of § 67.53.

46 CFR Ch. I (10-1-06 Edition)

NOTE: Manufacturer's Certificates of Origin are sometimes used as shipping documents for vessels, and may recite as the first owner a person other than the person for which the vessel was built. Therefore, a chain of title which begins with a Certificate of Origin will be deemed incomplete.

(b) Vessels previously registered under the laws of a State or a foreign government:

(1) Where a coastwise or a Great Lakes endorsement is sought, title evidence must be presented in accordance with § 67.53(d).

(2) Where a fishery endorsement is sought, title evidence must be presented in accordance with paragraph (b), (c), or (d) of § 67.53.

(3) Where a registry or recreational endorsement is sought, title evidence must be presented in accordance with paragraph (a), (b), (c), or (d) of § 67.53.

§ 67.59 Extent of title evidence required for change in ownership of a documented vessel.

When the ownership of a documented vessel changes, in whole or in part, the applicant for documentation must present:

(a) Title evidence in accordance with subpart E of this part to reflect all ownership changes subsequent to the last issuance of a Certificate of Documentation; and

(b) Where a registry, fishery, or recreational endorsement is sought, evidence of the citizenship of all owners subsequent to the last owner for whom the vessel was documented except for a vessel:

(1) Identified in § 67.11(b); or

(2) For which the Maritime Administration has granted approval for transfer or sale under 46 CFR part 221.

(c) Where a coastwise or Great Lakes endorsement is sought, evidence establishing the citizenship of all owners subsequent to the last owner for whom the vessel was documented with a coastwise or Great Lakes endorsement, if such evidence is not already on file with the Coast Guard. If the vessel has never been documented with a coastwise or Great Lakes endorsement, evidence must be presented to establish the citizenship of each owner of the vessel for whom such evidence is not already on file with the Coast Guard.
