fire watch on the vessel while work is being performed thereon.

(f) The Contractor shall place proper safeguards and/or effect such safety precautions as necessary, including suitable and sufficient lighting, for the prevention of accidents or injury to persons or property during the prosecution of work under this contract and/or from time of receipt of the vessel until acceptance by the Government of the work performed.

(g) Except as otherwise provided in this contract, when the vessel is in the custody of the contractor or in drydock or on a marine railway and the temperature becomes as low as 35 degrees Fahrenheit, the Contractor shall keep all pipelines, fixtures, traps, tanks, and other receptacles on the vessel drained to avoid damage from freezing, or if this is not practicable, the vessel shall be kept heated to prevent such damage. The vessel's stern tube and propeller hubs shall be protected from frost damage by applied heat through the use of a salamander or other proper means, as approved by the COTR.

(h) Whenever practicable, the work shall be performed in a manner which does not interfere with the berthing and messing of personnel attached to the vessel. The Contractor shall ensure that assigned personnel have access to the vessel at all times. It is understood that such personnel will not interfere with the work or the Contractor's workers.

(i) The Government does not guarantee the correctness of the dimensions, sizes, and shapes given in any sketches, drawings, plans or specifications prepared or furnished by the Government. The Contractor shall be responsible for the correctness of the shape, sizes and dimensions of parts to be furnished hereunder, other than those furnished by the Government.

(j) The Contractor shall at all times keep the site of the work on the vessel free from accumulation of waste material or rubbish caused by Contractor employees or the work, and at the completion of the work shall remove all rubbish from and about the site of the work and shall leave the work and its immediate vicinity "broom clean" unless more exactly specified in this contract.

(k) While in drydock or on a marine railway, the Contractor shall be responsible for the closing before the end of working hours, of all valves and openings upon which work is being done by its workers when such closing is practicable. The Contractor shall keep the COTR cognizant of the closure status of all valves and openings upon which the Contractor's workers have been working.

(l) Without additional expense to the Government, the Contractor shall employ specialty subcontractors where required by the specifications or when necessary for satisfactory performance of the work.

(m) When requested by the COTR, the Contractor shall notify the COTR in advance:

(i) Prior to starting inspections or tests; and

(ii) When supplies will be ready for Government inspection.

(n) When advance notification is requested, the authorized COTR shall specify the period and method of notification.

(End of clause)

1352.217-91 Delivery of vessel to the contractor.

As prescribed in 1317.7001(a), insert the following clause:

DELIVERY OF VESSEL TO THE CONTRACTOR
(CAR 1352.217-91) (JAN 1987)

(a) The Government shall deliver the vessel to the Contractor at the location specified in the contract.

(b) If the Contractor's plant is specified, it shall be understood to mean the fairway of the plant. The Contractor shall provide necessary tugs and pilot services to move the vessel from the fairway to the pier or dock and, upon completion of all work, from the pier or dock to the fairway of the plant.

(c) While the vessel is in the possession of the Contractor, any necessary movement of the vessel incidental to the work specified in the contract shall be furnished by the Contractor without additional charge to the Government.

(End of clause)

1352.217-92 Performance.

As prescribed in 1317.7001(a), insert the following clause:

PERFORMANCE (CAR 1352.217-92)(JAN 1987)

(a) Upon the issuance of the contract, the Contractor shall promptly commence the work specified in any plans and specifications made a part of the contract, and shall diligently prosecute the work to completion. The Contractor shall not commence work until the contract has been issued.

(b) The Government shall deliver the vessel described in the contract at such time and location as may be specified in the contract. Upon completion of the work, the Government shall accept delivery of the vessel at such time and location as may be specified in the contract.

(c) Without additional charge to the Government, and without specific requirement in the contract, the Contractor shall:

(1) Make available at the plant to personnel of the vessel while in drydock or on a marine railway, toilet and similar facilities acceptable to the Contracting Officer as adequate in number and sanitary standards;
