Subpart 204.71—Uniform Contract Line Item Numbering System

204.7100 Scope.

This subpart prescribes policies and procedures for assigning contract line item numbers.

204.7101 Definitions.

Accounting classification reference number (ACRN) means any combination of a two position alpha/numeric code used as a method of relating the accounting classification citation to detailed line item information contained in the schedule.

Attachment means any documentation, appended to a contract or incorporated by reference, which does not establish a requirement for deliverables.

Definitized item, as used in this subpart, means an item for which a firm price has been established in the basic contract or by modification.

Exhibit means a document, referred to in a contract, which is attached and establishes requirements for deliverables. The term shall not be

48 CFR Ch. 2 (10-1-06 Edition)

used to refer to any other kind of attachment to a contract. The DD Form 1423, Contract Data Requirements List, is always an exhibit, rather than an attachment.

Nonseverable deliverable, as used in this subpart, means a deliverable item that is a single end product or undertaking, entire in nature, that cannot be feasibly subdivided into discrete elements or phases without losing its identity.

Undefinitized item, as used in this subpart, means an item for which a price has not been established in the basic contract or by modification.

204.7102 Policy.

(a) The numbering procedures of this subpart shall apply to all—

- (1) Solicitations;
- (2) Solicitation line and subline item numbers;
- (3) Contracts as defined in FAR Subpart 2.1;
- (4) Contract line and subline item numbers;
- (5) Exhibits;
- (6) Exhibit line and subline items; and
- (7) Any other document expected to become part of the contract.

(b) The numbering procedures are mandatory for all contracts where separate contract line item numbers are assigned, unless—

- (1) The contract is an indefinite-delivery type for petroleum products against which posts, camps, and stations issue delivery orders for products to be consumed by them; or
- (2) The contract is a communications service authorization issued by the Defense Information Systems Agency's Defense Information Technology Contracting Organization.
