applies to all types of contract actions authorized by the FAR unless—

(a) The Deputy Secretary of Defense has approved an exception for an electronic commerce/electronic data interchange system or operational requirement that results in a more cost-effective payment process;

(b)(1) A general or flag officer or a member of the Senior Executive Service (SES) makes a written determination that—

(i) The source or sources available for the supply or service do not accept the purchase card; and

(ii) The contracting office is seeking a source that accepts the purchase card.

(2) To prevent mission delays, if an activity does not have a resident general or flag officer of SES member, delegation of this authority to the level of the senior local commander or director is permitted; or

(c) The purchase or payment meets one or more of the following criteria:

(1) The place of performance is entirely outside the United States and its outlying areas.

(2) The purchase is a Standard Form 44 purchase for aviation fuel or oil.

(3) The purchase is an overseas transaction by a contracting officer in support of a contingency operation as defined in 10 U.S.C. 101(a)(13) or a humanitarian or peacekeeping operation as defined in 10 U.S.C. 2302(8).

(4) The purchase is a transaction in support of intelligence or other specialized activities addressed by Part 2.7 of Executive Order 12333.

(9) The purchase is for medical services and—

(i) It involves a controlled substance or narcotic;

48 CFR Ch. 2 (10-1-06 Edition)

(ii) It requires the submission of a Health Care Summary Record to document the nature of the care purchased;

(iii) The ultimate price of the medical care is subject to an independent determination that changes the price paid based on application of a mandatory CHAMPUS Maximum Allowable Charge determination that reduces the Government liability below billed charges;

(iv) The Government already has entered into a contract to pay for the services without the use of a purchase card;

(v) The purchaser is a beneficiary seeking medical care; or

(vi) The senior local commander or director of a hospital or laboratory determines that use of the purchase card is not appropriate or cost-effective.
