specified in the solicitation by the contracting officer in the Certification Regarding Knowledge of Child Labor for Listed End Products; or

(2)(i) It has made a good faith effort to determine whether forced or indentured child labor was used to mine, produce, or manufacture any end product to be furnished under the contract that is on the List and was mined, produced, or manufactured in a country identified on the List for that product; and

(ii) On the basis of those efforts, the offeror is unaware of any such use of child labor.

(d) Absent any actual knowledge that the certification is false, the contracting officer must rely on the offerors' certifications in making award decisions.

(e) Whenever a contracting officer has reason to believe that forced or indentured child labor was used to mine, produce, or manufacture an end product furnished pursuant to a contract awarded subject to the certification required in paragraph (c) of this section, the contracting officer must refer the matter for investigation by the agency's Inspector General, the Attorney General, or the Secretary of the Treasury, whichever is determined appropriate in accordance with agency procedures, except to the extent that the end product is from the country listed in paragraph (b) of this section, under a contract exceeding the applicable threshold.

(f) Proper certification will not prevent the head of an agency from imposing remedies in accordance with section 22.1504(a)(4) if it is later discovered that the contractor has furnished an end product or component that has in fact been mined, produced, or manufactured, wholly or in part, using forced or indentured child labor.

Subpart 22.16—Notification of Employee Rights Concerning Payment of Union Dues or Fees

SOURCE: 69 FR 76353, Dec. 20, 2004, unless otherwise noted.

22.1600 Scope of subpart.

This subpart prescribes policies and procedures to implement Executive Order 13201, February 17, 2001.

22.1601 Definitions.

As used in this subpart—

Secretary means the Secretary of Labor, U.S. Department of Labor.

United States means the 50 States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, American Samoa, Guam, the U.S. Virgin Islands, and Wake Island.

22.1602 Policy.

Executive Order 13201 generally requires contractors to post a notice informing employees of their rights concerning payment of union dues or fees and to include this requirement in subcontracts and purchases that exceed the simplified acquisition threshold.

22.1603 Exemptions granted by the Secretary of Labor.

(a) The Secretary may grant exemptions from the requirements of this subpart, including the requirement to include the clause at 52.222-39, or parts

48 CFR Ch. 1 (10-1-06 Edition)

of that clause, in contracts. Requests for exemptions may be submitted in accordance with Department of Labor regulations at 29 CFR 470.3.

(b) The requirements of this subpart do not apply to contracts or subcontracts or purchases that do not exceed the simplified acquisition threshold.

22.1604 Compliance investigations and sanctions for violations.

The Secretary may investigate any contractor, subcontractor, or vendor to determine if any of the requirements of the clause at 52.222-39 have been violated. The procedures for conducting the investigations and effecting the sanctions are in 29 CFR part 470, Subpart B—Compliance Evaluations, Complaint Investigations and Enforcement Procedures. If the Secretary determines that there has been a violation, the Secretary may, to the extent authorized by 29 CFR 470.14 (which, in part, requires coordination between the head of the agency and the Secretary), direct that the contract be cancelled, terminated, or suspended in whole or in part. The Secretary may also declare the contractor ineligible for further Government contracts. Each contracting agency shall cooperate with the Secretary and provide such information and assistance as the Secretary may require in the performance of the Secretary's functions.

22.1605 Contract clause.

Insert the clause at 52.222-39, Notification of Employee Rights Concerning Payment of Union Dues or Fees, in all solicitations and contracts, except—

(a) Acquisitions that do not exceed the simplified acquisition threshold. For indefinite quantity contracts, include the clause only if the value of orders in any calendar year of the contract is expected to exceed the simplified acquisition threshold; or

(b) Contracts covered by an exemption granted by the Secretary of Labor. A contracting agency may modify the clause at 52.222-39, if necessary, to reflect an exemption granted by the Secretary (see 22.1603(a)).
