

252.228-7000

(c) Upon request, the filing date, serial number and title, a copy of the patent application and patent number, and issue data for any subject invention for which the Contractor has retained title.

(d) Upon request, the Contractor shall furnish the Government an irrevocable power to inspect and make copies of the patent application file.

(End of clause)

252.228-7000 Reimbursement for war-hazard losses.

As prescribed in 228.370(a), use the following clause:

REIMBURSEMENT FOR WAR-HAZARD LOSSES
(DEC 1991)

(a) Costs for providing employee war-hazard benefits in accordance with paragraph (b) of the Workers' Compensation and War-Hazard Insurance clause of this contract are allowable if the Contractor—

(1) Submits proof of loss files to support payment or denial of each claim;

(2) Subject to Contracting Officer approval, makes lump sum final settlement of any open claims and obtains necessary release documents within one year of the expiration or termination of this contract, unless otherwise extended by the Contracting Officer; and

(3) Provides the Contracting Officer at the time of final settlement of this contract—

(i) An investigation report and evaluation of any potential claim; and

(ii) An estimate of the dollar amount involved should the potential claim mature.

(b) The cost of insurance for liabilities reimbursable under this clause is not allowable.

(c) The Contracting Officer may require the Contractor to assign to the Government all right, title, and interest to any refund, rebate, or recapture arising out of any claim settlements.

(d) The Contractor agrees to—

(1) Investigate and promptly notify the Contracting Officer in writing of any occurrence which may give rise to a claim or potential claim, including the estimated amount of the claim;

(2) Give the Contracting Officer immediate written notice of any suit or action filed which may result in a payment under this clause; and

(3) Provide assistance to the Government in connection with any third party suit or claim relating to this clause which the Government elects to prosecute or defend in its own behalf.

48 CFR Ch. 2 (10-1-06 Edition)

(End of clause)

252.228-7001 Ground and flight risk.

As prescribed in 228.370(b), use the following clause:

GROUND AND FLIGHT RISK (SEP 1996)

(a) Definitions. As used in this clause—

(1) *Aircraft*, unless otherwise provided in the Schedule, means—

(i) Aircraft to be delivered to the Government under this contract (either before or after Government acceptance), including complete aircraft and aircraft in the process of being manufactured, disassembled, or reassembled; provided that an engine, portion of a wing or a wing is attached to a fuselage of the aircraft; and

(ii) Aircraft, whether in a state of disassembly or reassembly, furnished by the Government to the Contractor under this contract, including all property installed, in the process of installation, or temporarily removed; provided that the aircraft and property are not covered by a separate bailment agreement.

(2) *Contractor's premises* means those premises designated in the Schedule or in writing by the Contracting Officer, and any other place the aircraft is moved for safeguarding.

(3) *Flight* means any flight demonstration, flight test, taxi test, or other flight made in the performance of this contract, or for the purpose of safeguarding the aircraft, or previously approved in writing by the Contracting Officer.

(i) For land based aircraft, *flight* begins with the taxi roll from a flight line on the Contractor's premises and continues until the aircraft has completed the taxi roll in returning to a flight line on the Contractor's premises;

(ii) For seaplanes, *flight* begins with the launching from a ramp on the Contractor's premises and continues until the aircraft has completed its landing run and is beached at a ramp on the Contractor's premises;

(iii) For helicopters, *flight* begins upon engagement of the rotors for the purpose of take-off from the Contractor's premises and continues until the aircraft has returned to the ground on the Contractor's premises and the rotors are disengaged; and

(iv) For vertical take-off aircraft, *flight* begins upon disengagement from any launching platform or device on the Contractor's premises and continues until the aircraft has been engaged to any launching platform or device on the Contractor's premises;

(v) All aircraft off the Contractor's premises shall be considered to be in flight when on the ground or water for reasonable periods of time following emergency landings, landings made in performance of this contract, or landings approved in writing by the Contracting Officer.
