(g) The Contractor shall, at its own cost and expense, defend any suits, demands, claims, or actions, in which the United States might be named as a co-defendant of the Contractor, resulting from the Contractor's performance of work under this contract. (2) Do nothing to prevent the Government's right to recover against third parties for any such loss or damage; and

252.247-7008 Evaluation of bids.

As prescribed in 247.271-4(a), use the following provision:

EVALUATION OF BIDS (DEC 1991)

(a) The Government will evaluate bids on the basis of total aggregate price of all items within an area of performance under a given schedule.

(1) An offeror must bid on all items within a specified area of performance for a given schedule. Failure to do so shall be cause for rejection of the bid for that area of performance of that Schedule. If there is to be no charge for an item, an entry such as "No Charge," or the letters "N/C" or "0," must be made in the unit price column of the Schedule.

(2) Any bid which stipulates minimum charges or graduated prices for any or all items shall be rejected for that area of performance within the Schedule.

(b) In addition to other factors, the Contracting Officer will evaluate bids on the basis of advantages or disadvantages to the Government that might result from making more than one award (multiple awards).

(1) In making this evaluation, the Contracting Officer will assume that the administrative cost to the Government for issuing and administering each contract awarded under this solicitation would be \$500.

(2) Individual awards will be for the items and combinations of items which result in the lowest aggregate cost to the Government, including the administrative costs in paragraph (b)(1).

(c) When drayage is necessary for the accomplishment of any item in the bid schedule, the Offeror shall include in the unit price any costs for bridge or ferry tolls, road use charges or similar expenses.

(d) Unless otherwise provided in this solicitation, the Offeror shall state prices in amounts per hundred pounds on gross or net weights, whichever is applicable. All charges shall be subject to, and payable on, the basis of 100 pounds minimum weight for unaccompanied baggage and a 500 pound minimum weight for household goods, net or gross weight, whichever is applicable.

(End of provision)

Alternate I (DEC 1991). As prescribed in 247.271-4(a), add the following paragraph (e) to the basic clause:

(e) Notwithstanding paragraph (a), when "additional services" are added to any schedule, such "additional services" items will not be considered in the evaluation of bids.

252.247-7009 Award.

As prescribed in 247.271-4(b), use the following provision:

AWARD (DEC 1991)

(b) The Government reserves the right to make an award of two or more areas to a single bidder if such award will result in an overall lower estimated cost to the Government.

(c) The Government also reserves the right to award additional contracts, as a result of this solicitation, to the extent necessary to meet its estimated maximum daily requirements.
