32.614-1

or, in the case of a dispute, until the decision is reached.

(h) At a minimum, the deferment agreement shall contain the following:

(1) A description of the debt.

(2) The date of first demand for payment.

(3) Notice of an interest charge, in conformity with FAR 32.614 and the clause at FAR 52.232-17, Interest; or, in the case of a debt arising from a defective pricing or a CAS noncompliance overpayment, interest, as prescribed by the applicable Price Reduction for Defective Cost or Pricing Data or CAS clause.

(4) Identification of the office to which the contractor is to send debt payments.

(5) A requirement for the contractor to submit financial information requested by the Government and for reasonable access to the contractor's records and property by Government representatives.

(6) Provision for the Government to terminate the deferment agreement and accelerate the maturity of the debt if the contractor defaults or if bankruptcy or insolvency proceedings are instituted by or against the contractor.

(7) Protective requirements that are considered by the Government to be prudent and feasible in the specific circumstances. The coverage of protective terms at 32.409 and 32.501-5 may be used as a guide.

(i) If a contractor appeal of the debt determination is pending, the deferment agreement shall also include a requirement that the contractor shall—

(1) Diligently prosecute the appeal; and

(2) Pay the debt in full when the appeal is decided, or when the parties reach agreement on the debt amount.

(j) If the contractor does not plan to appeal the debt or file an action under the Disputes clause of the contract, the deferment/installment agreement shall include a specific schedule or plan for payment. It should permit the Government to make periodic financial reviews of the contractor and to require prepayments if the Government considers the contractor's ability to pay improved. It should also provide for required stated or measurable prepay-

ments on the occurrence of specific events or contingencies that improve the contractor's ability to pay.

(k) If desired by the contractor, the deferment agreement may provide for the right to make prepayments without prejudice, for refund of overpayments, and for crediting of interest (see 32.614-2).

(l) Actions filed by contractors under the Disputes clause shall not suspend or delay collection. Until the action is decided, deferments shall only be granted if, within 30 days after the filing of such action, the contractor presents to the responsible official a good and sufficient bond, or other collateral acceptable to the responsible official, in the amount of the claim, and approved by the responsible official. Any amount collected by the Government in excess of the amount found to be due on appeal under the Disputes clause of the contract shall be refunded to the contractor with interest thereon from the date of collection by the Government at the annual rate established by the Secretary of Treasury under Pub. L. 92-41. Simple interest shall be calculated through the period of indebtedness to reflect each 6-month period change in the rates established by the Secretary.

32.614 Interest.

32.614-1 Interest charges.

(a) Under the clause at 52.232-17, Interest, the responsible official shall apply interest charges to any contract debt unpaid after 30 days from the issuance of a demand, unless—

(1) The contract specifies another due date or procedure for charging or collecting interest;

(2) The contract is a kind excluded under 32.617; or

(3) The contract or debt has been exempted from interest charges under agency procedures.

(b) If not already applicable under the contract terms, interest on contract debt shall be made an element of any agreement entered into on deferment of collection.

32.614-2

(c) Unless specified otherwise in the clause at FAR 52.232-17, the interest charge shall be at the rate established by the Secretary of the Treasury under Public Law 92-41 for the period in which the amount becomes due. The interest charge shall be computed for the actual number of calendar days involved beginning on the due date and ending on—

(1) The date on which the designated office receives payment from the contractor;

(2) The date of issuance of a Government check to the contractor from which an amount otherwise payable has been withheld as a credit against the contract debt;

(3) The date on which an amount withheld and applied to the contract debt would otherwise have become payable to the contractor; or

(4) The date of any applicable tax credit under 32.607.

[48 FR 42328, Sept. 19, 1983, as amended at 56 FR 29128, June 25, 1991; 61 FR 18922, Apr. 29, 1996]

32.614-2 Interest credits.

(a) An equitable interest credit shall be applied under the following circumstances:

(1) When the amount of debt initially determined is subsequently reduced; e.g., through a successful appeal.

(2) When the collection procedures followed in a given case result in an overcollection of the debt due.

(3) When the responsible official determines that the Government has unduly delayed payments to the contractor on the same contract at some time during the period to which the interest charge applied, provided an interest penalty was not paid for such late payment.

(b) Any appropriate interest credits shall be computed under the following procedures:

(1) Interest at the rate under 32.614-1(c) shall be charged on the reduced debt from the date specified in the first demand made for payment of the higher debt.

(2) Interest may not be reduced for any time between the due date under the demand and the period covered by a deferment of collection, unless the

48 CFR Ch. 1 (10-1-06 Edition)

contract includes an interest clause; e.g., the clause prescribed in 32.617.

(3) Interest shall not be credited in an amount that, when added to other amounts refunded or released to the contractor, exceeds the total amount that has been collected, or withheld for the purpose of collecting the debt. This limitation shall be further reduced by the amount of any limitation applicable under 32.614-2(b)(2).

32.615 Delays in receipt of notices or demands.

If delivery of the demands or notices required by the clause at 52.232-17, Interest, is delayed by the Government (e.g., undue delay after dating at the originating office or delays in the mail), the date of the debt and accrual of interest shall be extended to a time that is fair and reasonable under the particular circumstances.

32.616 Compromise actions.

For debts under \$100,000, excluding interest, if further collection is not practicable or would cost more than the amount of recovery, the agency may compromise the debt or terminate or suspend further collection action. Compromise is authorized by the Federal Claims Collection Act of 1966 (31 U.S.C. 3711). Compromise actions shall conform to Federal claims collection standards (4 CFR 101-105), and agency regulations.
