the prices stipulated in this contract for supplies delivered and accepted or services rendered and accepted, less any deductions provided in this contract.

(b) Unless otherwise specified in this contract, the Government will make payment on partial deliveries accepted by the Government if either:

(1) The amount due on the deliveries warrants it.

(2) The Contractor requests it and the amount due on the deliveries is at least \$1,000 or 50 percent of the total contract price.

(c) When processing payment, GSA's Finance Office will automatically generate the 12 digit invoice number using the ACT number assigned to the contract, followed by an abbreviated month and year of service (e.g., 84261554JUN7, for June 1997). The ACT number appears on the contract award document.

(End of clause)

552.232-8 Discounts for Prompt Payment.

As prescribed in 532.206, insert the following clause:

DISCOUNTS FOR PROMPT PAYMENT (APR 1989) (DEVIATION FAR 52.232-8)

(a) Discounts for early payment (hereinafter referred to as "discounts" or "the discount") will be considered in evaluating the relationship of the offeror's concessions to the Government vis-a-vis the offeror's concessions to its commercial customers, but only to the extent indicated in this clause.

(b) Discounts will not be considered to determine the low offeror in the situation described in the "Offers on Identical Products" provision of this solicitation.

(c) Uneconomical discounts will not be considered as meeting the criteria for award established by the Government. In this connection, a discount will be considered uneconomical if the annualized rate of return for earning the discount is lower than the "value of funds" rate established by the Department of the Treasury and published quarterly in the FEDERAL REGISTER. The "value of funds" rate applied will be the rate in effect on the date specified for the receipt of offers.

(d) Agencies required to use the resultant schedule will not apply the discount in determining the lowest delivered price pursuant to the FPMR, 41 CFR 101-26.408, if the agency determines that payment will probably not be made within the discount period offered. The same is true if the discount is considered uneconomical at the time of placement of the order.

(e) Discounts for early payment may be offered either in the original offer or on individual invoices submitted under the result-

ing contract. Discounts offered will be taken by the Government if payment is made within the discount period specified.

(f) Discounts that are included in offers become a part of the resulting contracts and are binding on the Contractor for all orders placed under the contract. Discounts offered only on individual invoices will be binding on the Contractor only for the particular invoice on which the discount is offered.

(g) In connection with any discount offered for prompt payment, time shall be computed from the date of the invoice. For the purpose of computing the discount earned, payment shall be considered to have been made on the date which appears on the payment check or the date on which an electronic funds transfer was made.

552.232-23 Assignment of Claims.

As prescribed in 532.806, insert the following clause:

ASSIGNMENT OF CLAIMS (SEP 1999)

Because this is a requirements or indefinite quantity contract under which more than one agency may place orders, paragraph (a) of the Assignment of Claims clause (FAR 52.232-23) is inapplicable and the following is substituted therefor:

In order to prevent confusion and delay in making payment, the Contractor shall not assign any claim(s) for amounts due or to become due under this contract. However, the Contractor is permitted to assign separately to a bank, trust company, or other financial institution, including any Federal lending agency, under the provisions of the Assignment of Claims Act, as amended, 31 U.S.C. 3727, 41 U.S.C. 15 (hereinafter referred to as "the Act"), all amounts due or to become due under any order amounting to \$1,000 or more issued by any Government agency under this contract. Any such assignment takes effect only if and when the assignee files written notice of the assignment together with a true copy of the instrument of assignment with the contracting officer issuing the order and the finance office designated in the order to make payment. Unless otherwise stated in the order, payments to an assignee of any amounts due or to become due under any order assigned may, to the extent specified in the Act, be subject to reduction or set-off.

552.232-25

(End of clause)

552.232-25 Prompt Payment.

As prescribed in 532.908(a)(2), insert the following clause:

Notwithstanding any other payment clause in this contract, the Government will make invoice payments and contract financing payments under the terms and conditions specified in this clause. Payment shall be considered as being made on the day a check is dated or the date of an electronic funds transfer. Definitions of pertinent terms are set forth in section 32.902 of the Federal Acquisition Regulation. All days referred to in this clause are calendar days, unless otherwise specified. (However, see subparagraph (a)(4) of this clause concerning payments due on Saturdays, Sundays, and legal holidays.)

(A) The 10th day after the designated billing office receives a proper invoice from the Contractor. If the designated billing office fails to annotate the invoice with the date of receipt at the time of receipt, the invoice payment due date shall be the 10th day after the date of the Contractor's invoice; provided the Contractor submitted a proper invoice and no disagreement exists over quantity, quality, or Contractor compliance with contract requirements.

(B) The 10th day after Government acceptance of supplies delivered or services performed by the Contractor.

(i) The Contractor must receive and fulfill electronic data interchange (EDI) purchase orders (transaction set 850).

(ii) The Contractor must generate and submit to the Government valid EDI invoices (transaction set 810) or submit invoices through the GSA Finance Center Internet-based invoice process. Internet-based invoices must be submitted using procedures provided by GSA.

(iii) The Contractor's financial institution must receive and process, on behalf of the Contractor, EFT payments through the Automated Clearing House (ACH) system.

(iv) The EDI transaction sets in (i) through (iii) above must adhere to implementation conventions provided by GSA.

(3) If any of the conditions in (a)(2) above do not occur, the 10 day payment due dates in (a)(1) become 30 day payment due dates.

(4) Certain food products and other payments.

(i) Due dates on Contractor invoices for meat, meat food products, or fish; perishable agricultural commodities; and dairy products, edible fats or oils, and food products prepared from edible fats or oils are—
