APPENDIX D TO CHAPTER 7—DIRECT
USAID CONTRACTS WITH A U.S. CITIZEN OR A U.S. RESIDENT ALIEN FOR
PERSONAL SERVICES ABROAD

1. *General.* (a) *Purpose.* This appendix sets forth the authority, policy, and procedures under which USAID contracts with a U.S. citizen or U.S. resident alien for personal services abroad.

(b) *Definitions.* (1) *Personal services contract (PSC)* means a contract that, by its express terms or as administered, make the contractor personnel appear, in effect, Government employees (see FAR 37.104).

(2) *Employer-employee relationship* means an employment relationship under a service contract with an individual which occurs when, as a result of the contract's terms or the manner of its administration during performance, the contractor is subject to the relatively continuous supervision and control of a Government officer or employee.

(3) *Non-person services contract* means a contract under which the personnel rendering the services are not subject either by the contract's terms or by the manner of its administration, to the supervision and control usually prevailing in relationships between the Government and its employees.

(4) *Independent contractor relationship* means a contract relationship in which the contractor is not subject to the supervision and control prevailing in relationships between the Government and its employees. Under this relationship, the Government does not normally supervise the performance of the work, control the days of the week or hours of the day in which it is to be performed, or the location of performance.

(5) *Resident hire* means a U.S. citizen who, at the time of hire as a PSC, resides in the cooperating country as a spouse or dependent of a U.S. citizen employed by a U.S. government agency or under any U.S. government-financed contract or agreement, or for reasons other than for employment with a U.S. government agency or under any U.S. government-financed contract or agreement. A U.S. citizen for purposes of this definition also includes persons who at the time of contracting are lawfully admitted permanent residents of the United States.
