Subpart 814.3—Submission of Bids

814.301 Responsiveness of bids.

Where the timeliness of the submission of a bid, modification or withdrawal cannot be administratively determined in accordance with FAR 14.301, the matter will be submitted by the contracting officer directly to the Comptroller General for decision. The submission will include copies of all pertinent papers. A copy of each submission will be forwarded to the Deputy Assistant Secretary for Acquisition and Materiel Management.

814.302 Bid submission.

A bid hand-carried by the bidder or his agent will be considered late unless delivered to the addressee designated in the bid invitation prior to the time set for opening.

814.304 Late bids, late modifications of bids, or late withdrawal of bids.

814.304-2 Notification to late bidders.

The notification to late bidders will specify the final date by which the evidence must be received to be considered. This date must be within the time allowed by the apparent low bidder for acceptance of his bid.

814.304-4 Records.

All bids received by mail (or telegram where authorized) will be time and date stamped immediately upon receipt at the VA installation mail room and in the office of the addressee designated in the invitation. This will firmly establish the time of receipt of bids, or when bids are received in the office of the addressee subsequent to the time of opening, and it will establish whether or not the delay was due to mishandling on the part of VA.
