§ 23.11 What compliance and enforcement provisions are used under this part?

The compliance and enforcement provisions of part 26 (§§ 26.101 and 26.105 through 26.107) apply to this part in the same way that they apply to FAA recipients and programs under part 26.

§ 23.13 How does the Department issue guidance, interpretations, exemptions, and waivers pertaining to this part?

(a) Only guidance and interpretations (including interpretations set forth in certification appeal decisions) consistent with this part 23 and issued after April 21, 2005 have definitive, binding effect in implementing the provisions of this part and constitute the official position of the Department of Transportation.

(b) Written interpretations and guidance are valid and binding, and constitute the official position of the Department of Transportation, only if they are issued over the signature of the Secretary of Transportation or if they contain the following statement:

The General Counsel of the Department of Transportation has reviewed this document and approved it as consistent with the language and intent of 49 CFR part 23.

(c) You may apply for an exemption from any provision of this part. To apply, you must request the exemption in writing from the Office of the Secretary of Transportation or the FAA. The Secretary will grant the request only if it documents special or exceptional circumstances, not likely to be generally applicable, and not contemplated in connection with the rule-making that established this part, that make your compliance with a specific provision of this part impractical. You must agree to take any steps that the Department specifies to comply with the intent of the provision from which an exemption is granted. The Secretary will issue a written response to all exemption requests.

(d) You can apply for a waiver of any provision of subpart B or D of this part including, but not limited to, any pro-

visions regarding administrative requirements, overall goals, contract goals or good faith efforts. Program waivers are for the purpose of authorizing you to operate an ACDBE program that achieves the objectives of this part by means that may differ from one or more of the requirements of subpart B or D of this part. To receive a program waiver, you must follow these procedures:

(1) You must apply through the FAA. The application must include a specific program proposal and address how you will meet the criteria of paragraph (d)(2) of this section. Before submitting your application, you must have had public participation in developing your proposal, including consultation with the ACDBE community and at least one public hearing. Your application must include a summary of the public participation process and the information gathered through it.

(2) Your application must show that—

(i) There is a reasonable basis to conclude that you could achieve a level of ACDBE participation consistent with the objectives of this part using different or innovative means other than those that are provided in subpart B or D of this part;

(ii) Conditions at your airport are appropriate for implementing the proposal;

(iii) Your proposal would prevent discrimination against any individual or group in access to concession opportunities or other benefits of the program; and

(iv) Your proposal is consistent with applicable law and FAA program requirements.

(3) The FAA Administrator has the authority to approve your application. If the Administrator grants your application, you may administer your ACDBE program as provided in your proposal, subject to the following conditions:

(i) ACDBE eligibility is determined as provided in subpart C of this part, and ACDBE participation is counted as provided in §§ 23.53 through 23.55.

(ii) Your level of ACDBE participation continues to be consistent with the objectives of this part;

(iii) There is a reasonable limitation on the duration of the your modified program; and

(iv) Any other conditions the Administrator makes on the grant of the waiver.

(4) The Administrator may end a program waiver at any time and require you to comply with this part's provisions. The Administrator may also extend the waiver, if he or she determines that all requirements of this section continue to be met. Any such extension shall be for no longer than period originally set for the duration of the program waiver.

Subpart B—ACDBE Programs

§ 23.21 Who must submit an ACDBE program to FAA, and when?

(a) Except as provided in paragraph (e) of this section, if you are a primary airport that has or was required to have a concessions DBE program prior to April 21, 2005, you must submit a revised ACDBE program meeting the requirements of this part to the appropriate FAA regional office for approval.

(1) You must submit this revised program on the same schedule provided for your first submission of overall goals in § 23.45(a) of this part.

(2) Timely submission and FAA approval of your revised ACDBE program is a condition of eligibility for FAA financial assistance.

(3) Until your new ACDBE program is submitted and approved, you must continue to implement your concessions DBE program that was in effect before the effective date of this amendment to part 23, except with respect to any provision that is contrary to this part.

(b) If you are a primary airport that does not now have a DBE concessions program, and you apply for a grant of FAA funds for airport planning and development under 49 U.S.C. 47107 *et seq.*, you must submit an ACDBE program to the FAA at the time of your application. Timely submission and FAA approval of your ACDBE program are conditions of eligibility for FAA financial assistance.

(c) If you are the owner of more than one airport that is required to have an ACDBE program, you may implement

one plan for all your locations. If you do so, you must establish a separate ACDBE goal for each location.

(d) If you make any significant changes to your ACDBE program at any time, you must provide the amended program to the FAA for approval before implementing the changes.

(e) If you are a non-primary airport, non-commercial service airport, a general aviation airport, reliever airport, or any other airport that does not have scheduled commercial service, you are not required to have an ACDBE program. However, you must take appropriate outreach steps to encourage available ACDBEs to participate as concessionaires whenever there is a concession opportunity.

§ 23.23 What administrative provisions must be in a recipient's ACDBE program?

(a) If, as a recipient that must have an ACDBE program, the program must include provisions for a policy statement, liaison officer, and directory, as provided in part 26, §§ 26.23, 26.25, and 26.31, as well as certification of ACDBEs as provided by Subpart C of this part. You must include a statement in your program committing you to operating your ACDBE program in a nondiscriminatory manner.

(b) You may combine your provisions for implementing these requirements under this part and part 26 (*e.g.*, a single policy statement can cover both Federally-assisted airport contracts and concessions; the same individual can act as the liaison officer for both part 23 and part 26 matters).

§ 23.25 What measures must recipients include in their ACDBE programs to ensure nondiscriminatory participation of ACDBEs in concessions?

(a) You must include in your ACDBE program a narrative description of the types of measures you intend to make to ensure nondiscriminatory participation of ACDBEs in concession and other covered activities.

(b) Your ACDBE program must provide for setting goals consistent with the requirements of Subpart D of this part.

(c) Your ACDBE program must provide for seeking ACDBE participation
