

(b) The UCP shall make all certification decisions on behalf of all DOT recipients in the state with respect to participation in the DOT DBE Program.

(1) Certification decisions by the UCP shall be binding on all DOT recipients within the state.

(2) The UCP shall provide “one-stop shopping” to applicants for certification, such that an applicant is required to apply only once for a DBE certification that will be honored by all recipients in the state.

(3) All obligations of recipients with respect to certification and nondiscrimination must be carried out by UCPs, and recipients may use only UCPs that comply with the certification and nondiscrimination requirements of this part.

(c) All certifications by UCPs shall be pre-certifications; i.e., certifications that have been made final before the due date for bids or offers on a contract on which a firm seeks to participate as a DBE.

(d) A UCP is not required to process an application for certification from a firm having its principal place of business outside the state if the firm is not certified by the UCP in the state in which it maintains its principal place of business. The “home state” UCP shall share its information and documents concerning the firm with other UCPs that are considering the firm’s application.

(e) Subject to DOT approval as provided in this section, the recipients in two or more states may form a regional UCP. UCPs may also enter into written reciprocity agreements with other UCPs. Such an agreement shall outline the specific responsibilities of each participant. A UCP may accept the certification of any other UCP or DOT recipient.

(f) Pending the establishment of UCPs meeting the requirements of this section, you may enter into agreements with other recipients, on a regional or inter-jurisdictional basis, to perform certification functions required by this part. You may also grant reciprocity to other recipient’s certification decisions.

(g) Each UCP shall maintain a unified DBE directory containing, for all

firms certified by the UCP (including those from other states certified under the provisions of this section), the information required by §26.31. The UCP shall make the directory available to the public electronically, on the internet, as well as in print. The UCP shall update the electronic version of the directory by including additions, deletions, and other changes as soon as they are made.

(h) Except as otherwise specified in this section, all provisions of this subpart and subpart D of this part pertaining to recipients also apply to UCPs.

**§ 26.83 What procedures do recipients follow in making certification decisions?**

(a) You must ensure that only firms certified as eligible DBEs under this section participate as DBEs in your program.

(b) You must determine the eligibility of firms as DBEs consistent with the standards of subpart D of this part. When a UCP is formed, the UCP must meet all the requirements of subpart D of this part and this subpart that recipients are required to meet.

(c) You must take all the following steps in determining whether a DBE firm meets the standards of subpart D of this part:

(1) Perform an on-site visit to the offices of the firm. You must interview the principal officers of the firm and review their résumés and/or work histories. You must also perform an on-site visit to job sites if there are such sites on which the firm is working at the time of the eligibility investigation in your jurisdiction or local area. You may rely upon the site visit report of any other recipient with respect to a firm applying for certification;

(2) If the firm is a corporation, analyze the ownership of stock in the firm;

(3) Analyze the bonding and financial capacity of the firm;

(4) Determine the work history of the firm, including contracts it has received and work it has completed;

(5) Obtain a statement from the firm of the type of work it prefers to perform as part of the DBE program and its preferred locations for performing the work, if any;

**§ 26.83**

**49 CFR Subtitle A (10-1-06 Edition)**

(6) Obtain or compile a list of the equipment owned by or available to the firm and the licenses the firm and its key personnel possess to perform the work it seeks to do as part of the DBE program;

(7) Require potential DBEs to complete and submit an appropriate application form, unless the potential DBE is an SBA certified firm applying pursuant to the DOT/SBA MOU.

(i) You must use the application form provided in Appendix F to this part without change or revision. However, you may provide in your DBE program, with the approval of the concerned operating administration, for supplementing the form by requesting additional information not inconsistent with this part.

(ii) You must make sure that the applicant attests to the accuracy and truthfulness of the information on the application form. This shall be done either in the form of an affidavit sworn to by the applicant before a person who is authorized by state law to administer oaths or in the form of an unsworn declaration executed under penalty of perjury of the laws of the United States.

(iii) You must review all information on the form prior to making a decision about the eligibility of the firm.

(d) When another recipient, in connection with its consideration of the eligibility of a firm, makes a written request for certification information you have obtained about that firm (e.g., including application materials or the report of a site visit, if you have made one to the firm), you must promptly make the information available to the other recipient.

(e) When another DOT recipient has certified a firm, you have discretion to take any of the following actions:

(1) Certify the firm in reliance on the certification decision of the other recipient;

(2) Make an independent certification decision based on documentation provided by the other recipient, augmented by any additional information you require the applicant to provide; or

(3) Require the applicant to go through your application process without regard to the action of the other recipient.

(f) Subject to the approval of the concerned operating administration as part of your DBE program, you may impose a reasonable application fee for certification. Fee waivers shall be made in appropriate cases.

(g) You must safeguard from disclosure to unauthorized persons information gathered as part of the certification process that may reasonably be regarded as proprietary or other confidential business information, consistent with applicable Federal, state, and local law.

(h) Once you have certified a DBE, it shall remain certified for a period of at least three years unless and until its certification has been removed through the procedures of §26.87. You may not require DBEs to reapply for certification as a condition of continuing to participate in the program during this three-year period, unless the factual basis on which the certification was made changes.

(i) If you are a DBE, you must inform the recipient or UCP in writing of any change in circumstances affecting your ability to meet size, disadvantaged status, ownership, or control requirements of this part or any material change in the information provided in your application form.

(1) Changes in management responsibility among members of a limited liability company are covered by this requirement.

(2) You must attach supporting documentation describing in detail the nature of such changes.

(3) The notice must take the form of an affidavit sworn to by the applicant before a person who is authorized by state law to administer oaths or of an unsworn declaration executed under penalty of perjury of the laws of the United States. You must provide the written notification within 30 days of the occurrence of the change. If you fail to make timely notification of such a change, you will be deemed to have failed to cooperate under §26.109(c).

(j) If you are a DBE, you must provide to the recipient, every year on the anniversary of the date of your certification, an affidavit sworn to by the firm's owners before a person who is authorized by state law to administer

oaths or an unsworn declaration executed under penalty of perjury of the laws of the United States. This affidavit must affirm that there have been no changes in the firm's circumstances affecting its ability to meet size, disadvantaged status, ownership, or control requirements of this part or any material changes in the information provided in its application form, except for changes about which you have notified the recipient under paragraph (i) of this section. The affidavit shall specifically affirm that your firm continues to meet SBA business size criteria and the overall gross receipts cap of this part, documenting this affirmation with supporting documentation of your firm's size and gross receipts. If you fail to provide this affidavit in a timely manner, you will be deemed to have failed to cooperate under § 26.109(c).

(k) If you are a recipient, you must make decisions on applications for certification within 90 days of receiving from the applicant firm all information required under this part. You may extend this time period once, for no more than an additional 60 days, upon written notice to the firm, explaining fully and specifically the reasons for the extension. You may establish a different time frame in your DBE program, upon a showing that this time frame is not feasible, and subject to the approval of the concerned operating administration. Your failure to make a decision by the applicable deadline under this paragraph is deemed a constructive denial of the application, on the basis of which the firm may appeal to DOT under § 26.89.

**§ 26.84 How do recipients process applications submitted pursuant to the DOT/SBA MOU?**

(a) When an SBA-certified firm applies for certification pursuant to the DOT/SBA MOU, you must accept the certification applications, forms and packages submitted by a firm to the SBA for either the 8(a) BD or SDB programs, in lieu of requiring the applicant firm to complete your own application forms and packages. The applicant may submit the package directly,

or may request that the SBA forward the package to you. Pursuant to the MOU, the SBA will forward the package within thirty days.

(b) If necessary, you may request additional relevant information from the SBA. The SBA will provide this additional material within forty-five days of your written request.

(c) Before certifying a firm based on its 8(a) BD or SDB certification, you must conduct an on-site review of the firm (*see* § 26.83(c)(1)). If the SBA conducted an on-site review, you may rely on the SBA's report of the on-site review. In connection with this review, you may also request additional relevant information from the firm.

(d) Unless you determine, based on the on-site review and information obtained in connection with it, that the firm does not meet the eligibility requirements of Subpart D of this part, you must certify the firm.

(e) You are not required to process an application for certification from an SBA-certified firm having its principal place of business outside the state(s) in which you operate unless there is a report of a "home state" on-site review on which you may rely.

(f) You are not required to process an application for certification from an SBA-certified firm if the firm does not provide products or services that you use in your DOT-assisted programs or airport concessions.

**§ 26.85 How do recipients respond to requests from DBE-certified firms or the SBA made pursuant to the DOT/SBA MOU?**

(a) Upon receipt of a signed, written request from a DBE-certified firm, you must transfer to the SBA a copy of the firm's application package. You must transfer this information within thirty days of receipt of the request.

(b) If necessary, the SBA may make a written request to the recipient for additional materials (*e.g.*, the report of the on-site review). You must provide a copy of this material to the SBA within forty-five days of the additional request.

(c) You must provide appropriate assistance to SBA-certified firms, including providing information pertaining
