treatment for all or part of that information or for those documents or things.

(2)(i) Except as provided in paragraph (e)(2)(ii) of this section, requests for confidentiality shall be in writing, and addressed to the Chief Counsel.

(ii) Requests for confidentiality made during an information gathering hearing or an administrative deposition may be made orally to the presiding officer. Any oral request for confidentiality shall be supplemented by a written request, and this written request must be addressed to the Chief Counsel and received by NHTSA within five days of the date of the oral request.

(iii) A written request for confidentiality under paragraph (e) of this section shall specify the information, documents, or things which are to be kept confidential, specify the grounds upon which the claim is based, provide such information as may be necessary to permit the NHTSA to determine whether the claim is valid, and specify the period of time for which confidential treatment is requested.

(f) The Chief Counsel, or his or her delegate, is authorized to negotiate and approve the terms of satisfactory compliance with any compulsory process issued under this part.

§510.4 Subpoenas, generally.

NHTSA may issue to any person, sole proprietorship, partnership, corporation, or other entity a subpoena requiring the production of documents or things (subpoena duces tecum) and testimony of witnesses (subpoena ad testificandum), or both, relating to any matter under investigation or the subject of any inquiry. Subpoenas are issued by the Chief Counsel. When a person, sole proprietorship, partnership, corporation, or other entity is served with a subpoena ad testificandum under this part, the subpoena will describe with reasonable particularity the matters on which the testimony is required. In response to a subpoena ad testificandum, the sole proprietorship, partnership, corporation, or other entity so named shall designate one or more officers, directors, or managing agents, or other persons who consent to testify on its behalf, and set forth, for each person des-

§510.5 Information gathering hearings.

(a) NHTSA may issue a subpoena to compel any person, sole proprietorship, partnership, corporation, or other entity to provide information at an information gathering hearing. The subpoenas are used for the purpose of obtaining testimony from a witness under oath and obtaining relevant documents and things. The Administrator, or a NHTSA employee designated by the Administrator, presides at the hearing. Information gathering hearings are open to the public unless the presiding officer rules otherwise, and the hearings are stenographically reported.

(b) In addition to the presiding officer, one or more other persons may comprise the panel. Each member of the panel may question any witness at the hearing. No person who is not a member of the panel may ask questions of a witness. However, any person may submit to the panel, in writing, proposed questions to be asked of a witness. A member of the panel may pose these questions to the witness if that member deems the questions useful and appropriate. Proposed questions may be submitted to the panel at any time before or during the course of the hearing.

(c) The stenographic record of each witness's testimony will be available to the public, unless the testimony was not given publicly and the witness requests confidential treatment for some or all of his or her testimony. When an oral request for confidential treatment is made during the course of a witness's testimony, the presiding officer may order the hearing closed to the public at that point and continue the questioning of the witness, or may note the request for confidentiality and direct the witness not to answer the question at that time, but require the witness to answer the question in writing within some specified period, or take such other action as the presiding

officer deems appropriate. If a request for confidential treatment is made, the release of the record is governed by the applicable laws or regulations relating to the handling of allegedly confidential information. To the extent that some or all of a witness's testimony is not publicly available, that witness may procure a copy of his or her testimony as recorded upon payment of lawfully prescribed costs.

(d)(1) Any person who is required by subpoena or designated by an entity that is required by subpoena to provide information at an information gathering hearing conducted under this section may be accompanied, represented, and advised by counsel. Any member of the bar of a Federal court or the courts of any State or Territory of the United States, the Commonwealth of Puerto Rico, or the District of Columbia, and any representative, official, or employee of the sole proprietorship, partnership, corporation or other entity under subpoena may act as counsel.

(2) A witness appearing in response to subpoena may confer in confidence with his or her counsel or representative concerning any questions asked of the witness. If such witness, counsel, or representative objects to a question, he or she shall state the objection and basis therefor on the record.

(e) The presiding officer at an information gathering hearing takes all necessary action to regulate the course of the hearing, to avoid delay, and to assure that reasonable standards of orderly and ethical conduct are maintained. In any case in which counsel for or a representative of a witness has refused to comply with the presiding officer's directions, or to adhere to reasonable standards of orderly and ethical conduct in the course of a hearing, the presiding officer states on the record the reasons given, if any, for the refusal and, if the presiding officer is someone other than the Administrator, immediately reports the refusal to the Administrator. The Administrator thereupon takes such action as the circumstances warrant.

(f) Where appropriate, the procedures established in this subsection may be utilized in informal hearings conducted by NHTSA pursuant to its authority under sections 152 and 156 of the Safety

Act (15 U.S.C. 1412, 1416) to receive data, views and arguments concerning alleged safety-related defects. The rights accorded to witnesses in this subsection may also be accorded to witnesses who appear voluntarily at such hearings.

§510.6 Administrative depositions.

(a) NHTSA may issue a subpoena to compel any person, sole proprietorship, partnership, corporation, or other entity to provide information as a witness at an administrative deposition. These depositions are for the purpose of obtaining information from the witness under oath and receiving documents and things relevant to an agency investigation. These depositions shall be taken before an officer authorized to administer oaths by the laws of the United States or of the place where the deposition is taken. Unless otherwise ordered by the Administrator, administrative depositions are closed to the public.

(b) Any person who is required by subpoena or designated by an entity that is required by subpoena to produce documents or things or to give testimony as a witness at an administrative deposition conducted under this section may be accompanied, represented, and advised by counsel. Any member of the bar or a Federal court or the courts of any State or Territory of the United States, the Commonwealth of Puerto Rico, or the District of Columbia and any representative, official, or employee of the person, sole proprietorship, partnership, corporation, or other entity under subpoena may act as counsel.

(c) During an administrative deposition:

(1) The presiding officer before whom the deposition is to be taken puts the witness on oath and personally, or by someone acting under his or her direction and in his or her presence, records the testimony of the witness. The testimony is stenographically reported.

(2) After NHTSA has examined the witness at the deposition, that witness' counsel or representative may examine the witness. NHTSA may then reexamine the witness and the witness' counsel or representative may reexamine
