

§ 551.49

(b) Occasionally an official of a foreign manufacturer also serves as an official of a domestic firm or corporation or is a permanent resident of the United States. In such cases, the official may serve as agent and sign the designation documents both on behalf of the foreign manufacturer and as agent. However, the foreign manufacturer must submit to NHTSA, along with the designation documents, a letter explaining that the individual signing the designation is both an official of the foreign manufacturer with authority to appoint an agent and a permanent resident of the United States or official of a domestic firm or corporation. If NHTSA does not receive an explanatory letter at the same time it receives the designation, the agency will deem the designation insufficient under this subpart and reject the submission.

§ 551.49 May a foreign manufacturer replace its agent?

(a) Yes, a foreign manufacturer may replace its agent in the same way it originally designated the agent. It must submit designation documents that meet the form and content requirements identified in the following section of this subpart. Until NHTSA receives designation documents meeting those requirements or a letter withdrawing an existing designation, the individual or domestic corporation originally designated will continue to serve as its agent for service of process.

(b) A foreign manufacturer that has withdrawn but not replaced its agent may not continue to import motor vehicles or motor vehicle equipment into the United States. In order to do so, it must appoint a new agent in accordance with the requirements of this subpart.

§ 551.50 May more than one foreign manufacturer designate the same person as agent?

Yes, any number of foreign manufacturers separately may designate the same person as agent.
