

§ 573.7

49 CFR Ch. V (10–1–06 Edition)

§ 573.7 Quarterly reports.

(a) Each manufacturer who is conducting a defect or noncompliance notification campaign to manufacturers, distributors, dealers, or owners shall submit to NHTSA a report in accordance with paragraphs (b), (c), and (d) of this section. Unless otherwise directed by the NHTSA, the information specified in paragraphs (b)(1) through (5) of this section shall be included in the quarterly report, with respect to each notification campaign, for each of six consecutive quarters beginning with the quarter in which the campaign was initiated (i.e., the date of initial mailing of the defect or noncompliance notification to owners) or corrective action has been completed on all defective or noncomplying vehicles or items of replacement equipment involved in the campaign, whichever occurs first.

(b) Each report shall include the following information identified by and in the order of the subparagraph headings of this paragraph.

(1) The notification campaign number assigned by NHTSA.

(2) The date notification began and the date completed.

(3) The number of vehicles or items of equipment involved in the notification campaign.

(4) The number of vehicles and equipment items which have been inspected and repaired and the number of vehicles and equipment items inspected and determined not to need repair.

(5) The number of vehicles or items of equipment determined to be unreachable for inspection due to export, theft, scrapping, failure to receive notification, or other reasons (specify). The number of vehicles or items or equipment in each category shall be specified.

(6) In reports by equipment manufacturers, the number of items of equipment repaired and/or returned by dealers, other retailers, and distributors to the manufacturer prior to their first sale to the public.

(7) For all recalls that involve the replacement of tires, the manufacturer shall provide:

(i) The aggregate number of recalled tires that the manufacturer becomes aware have not been rendered unsuitable for resale for installation on a

motor vehicle in accordance with the manufacturer's plan provided to NHTSA pursuant to § 573.6(c)(9);

(ii) The aggregate number of recalled tires that the manufacturer becomes aware have been disposed of in violation of applicable state and local laws and regulations; and

(iii) A description of any failure of a tire outlet to act in accordance with the directions in the manufacturer's plan, including an identification of the outlet(s) in question.

(c) Information supplied in response to the paragraphs (b)(4) and (5) of this section shall be cumulative totals.

(d) The reports required by this section shall be submitted in accordance with the following schedule, except that if the due date specified below falls on a Saturday, Sunday or Federal holiday, the report shall be submitted on the next day that is a business day for the Federal government:

(1) For the first calendar quarter (January 1 through March 31), on or before April 30;

(2) For the second calendar quarter (April 1 through June 30), on or before July 30;

(3) For the third calendar quarter (July 1 through September 30), on or before October 30; and

(4) For the fourth calendar quarter (October 1 through December 31), on or before January 30.

§ 573.8 Lists of purchasers, owners, dealers, distributors, lessors, and lessees.

(a) Each manufacturer of motor vehicles shall maintain, in a form suitable for inspection such as computer information storage devices or card files, a list of the names and addresses of registered owners, as determined through State motor vehicle registration records or other sources or the most recent purchasers where the registered owners are unknown, for all vehicles involved in a defect or noncompliance notification campaign initiated after the effective date of this part. The list shall include the vehicle identification number for each vehicle and the status
