

owners can obtain the relevant information regarding the manufacturer's reimbursement plan.

(d) The information to be provided under paragraph (c) of this section must:

(1) Identify the vehicle and/or equipment that is the subject of the recall and the underlying problem;

(2) State that the manufacturer has a program for reimbursing pre-notification remedies and identify the type of remedy eligible for reimbursement;

(3) Identify any limits on the time period in which the repair or replacement of the recalled vehicle or equipment must have occurred;

(4) Identify any restrictions on eligibility for reimbursement that the manufacturer is imposing (as limited by § 573.13 (d) of this chapter);

(5) Specify all necessary documentation that must be submitted to obtain reimbursement;

(6) Explain how to submit a claim for reimbursement of a pre-notification remedy; and

(7) Identify the office and address of the manufacturer where a claim can be submitted by mail and any authorized dealers or facilities where a claimant may submit a claim for reimbursement.

(e) The manufacturer is not required to provide notification regarding reimbursement under this section if NHTSA finds, based upon a written request by a manufacturer accompanied by supporting information, views, and arguments, that all covered vehicles are under warranty or that no person would be eligible for reimbursement under § 573.13 of this chapter.

**§ 577.12 Notification pursuant to an accelerated remedy program.**

(a) When the Administrator requires a manufacturer to accelerate its remedy program under § 573.14 of this chapter, or when a manufacturer agrees with a request from the Administrator that it accelerate its remedy program in advance of being required to do so, in addition to complying with other sections of this part, the manufacturer shall provide notification in accordance with this section.

(b) Except as provided elsewhere in this section or when the Administrator determines otherwise, the notification under this section shall be sent to the same recipients as provided by § 577.7. If no notification has been provided to owners pursuant to this part, the provisions required by this section may be combined with the notification under §§ 577.5 or 577.6. A manufacturer need only provide a notification under this section to owners of vehicles or items of equipment for which the defect or noncompliance has not been remedied.

(c) The manufacturer's notification shall include the following:

(1) If there was a prior notification, a statement that identifies that notification and states that this notification supplements it;

(2) When the accelerated remedy program has been required by the Administrator, a statement that the National Highway Traffic Safety Administration has required the manufacturer to accelerate its remedy program;

(3) A statement of how the program has been accelerated (*e.g.*, by expanding the sources of replacement parts and/or expanding the number of authorized repair facilities);

(4) Where applicable, a statement that the owner may elect to obtain the recall remedy using designated service facilities other than those that are owned or franchised by the manufacturer or are the manufacturer's authorized dealers, and an explanation of how the owner may arrange for service at those other facilities;

(5) Where applicable, a statement that the owner may elect to obtain the recall remedy using specified replacement parts or equipment from sources other than the manufacturer;

(6) Where applicable, a statement indicating whether the owner will be required to pay an alternative facility and/or parts supplier, subject to reimbursement by the manufacturer; and

(7) If an owner will be required to pay an alternative facility and/or parts supplier, a statement that the owner will be eligible to have those expenditures reimbursed by the manufacturer, and a description of how a consumer may obtain information about reimbursement

### §577.13 Notification to dealers and distributors.

(a) The notification to dealers and distributors of a safety-related defect or a noncompliance with a Federal motor vehicle safety standard shall contain a clear statement that identifies the notification as being a safety recall notice, an identification of the motor vehicles or items of motor vehicle equipment covered by the recall, a description of the defect or noncompliance, and a brief evaluation of the risk to motor vehicle safety related to the defect or noncompliance. The notification shall also include a complete description of the recall remedy, and the estimated date on which the remedy will be available. Information required by this paragraph that is not available at the time of the original notification shall be provided as it becomes available.

(b) The notification shall also include an advisory stating that it is a violation of Federal law for a dealer to deliver a new motor vehicle or any new or used item of motor vehicle equipment (including a tire) covered by the notification under a sale or lease until the defect or noncompliance is remedied.

(c) The manufacturer shall, upon request of the Administrator, demonstrate that it sent the required notification to each of its known dealers and distributors and the date of such notification.
