

§ 34.4

50 CFR Ch. I (10-1-06 Edition)

Section 8 of Pub. L. 95-616, approved October 27, 1978. The Service may pay from such fund any necessary expenses incurred in connection with the revenue producing and revenue sharing activity. The fund shall also include any appropriations authorized by the Act to make up any difference between the total amount of receipts after payments of expenses and the total amount of payments due the counties.

(e) The term *net receipts* means the amount of revenue collected by the Service from an area (including fee land and/or reserve land) after the deduction of necessary expenses incurred in producing the particular revenues.

(f) The term *fair market value* means the amount in terms of money for which in all probability a property would be sold if exposed for sale in the open market by a seller who is willing but not obligated to sell, allowing a reasonable time to find a buyer who is willing but not obligated to buy, both parties having full knowledge of all the uses to which the property is adapted, and for which it is capable of being used.

§ 34.4 Eligibility of areas.

In order to receive payments under the Act, a county must qualify under the definition in § 34.3(c) of this part and there must be located within the county, areas of land owned in fee title by the United States and administered by the Secretary of the Interior through the Fish and Wildlife Service, including wildlife refuges, waterfowl production areas, wildlife ranges, wildlife management areas, fish hatcheries, research centers or stations, and administrative sites, and these areas must be solely or primarily administered by the Service. In addition to this Act, reserve areas administered solely or primarily by the Service are entitlement lands under section 6(a) of the Act of October 29, 1976 (Pub. L. 94-565, 31 U.S.C. 1601-1607), for which regulations are published in title 43, part 1880, Code of Federal Regulations.

§ 34.5 Distribution of revenues.

The Act provides that the Secretary, at the end of each fiscal year, shall pay to each county out of the fund:

(a) For reserve areas, an amount equal to 25 per centum of the net receipts, collected by the Secretary in connection with the operation and management of such area, provided that when any such area is situated in more than one county, the distributive share to each from the aforesaid receipts shall be proportional to its acreage of such reserve area.

(b) For fee areas, whichever of the following is greater:

(1) An amount equal to 75¢ per acre for the total acreage of the fee area located within such county.

(2) An amount equal to three-fourths of one per centum of the fair market value, as determined by the Secretary, of that portion of the fee area (excluding any improvements thereto made after the date of Federal acquisition) which is located within such county. For those areas of fee land within the National Wildlife Refuge System as of September 30, 1977, the amount of payment based on fair market value will not be less than the amount paid on the adjusted cost basis as in effect at that time. Actual cost, or appraised value in case of donation, will be used for lands acquired during fiscal year 1978. For those areas of fee lands added to lands administered by the Service after September 30, 1978, by purchase, donation, or otherwise, fair market value shall be determined by appraisal as of the date said areas are administered by the Service.

(3) An amount equal to 25 per centum of the net receipts collected by the Secretary in connection with the operation and management of such fee area during such fiscal year; but if a fee area is located in two or more counties, the amount each such county is entitled to shall be the amount which bears to such 25 per centum, the same ratio as that portion of the fee area acreage which is within such county bears to the total acreage of such fee area.

(c) In accordance with section 5(A) of the act, each county which receives a payment under paragraphs (a) and (b) of this section, with respect to any fee area or reserve area, shall distribute that payment to those units of local government which have incurred the loss or reduction of real property tax revenues because of the existence of
