

§ 648.5

50 CFR Ch. VI (10–1–06 Edition)

(v) The applicant has failed to meet any other application requirements stated in this part.

(2) *Incomplete applications.* Upon receipt of an incomplete or improperly executed application for any permit under this part, the Regional Administrator shall notify the applicant of the deficiency in the application. If the applicant fails to correct the deficiency within 30 days following the date of notification, the application will be considered abandoned.

(f) *Change in permit information.* Any change in the information specified in paragraphs (c)(2) or (c)(3) of this section must be submitted by the applicant in writing to the Regional Administrator within 15 days of the change, or the permit is void.

(g) *Expiration.* A permit expires upon the renewal date specified in the permit.

(h) *Duration.* A permit will continue in effect unless it is revoked, suspended, or modified under 15 CFR part 904, or otherwise expires, or ownership changes, or the applicant has failed to report any change in the information on the permit application to the Regional Administrator as specified in paragraph (f) of this section. However, the Regional Administrator may authorize the continuation of a permit if the new owner so requests. Applications for permit continuations must be addressed to the Regional Administrator.

(i) *Alteration.* Any permit that has been altered, erased, or mutilated is invalid.

(j) *Reissuance.* A permit may be reissued by the Regional Administrator when requested in writing, stating the need for reissuance, the name of the vessel (if applicable), and the fishing permit number assigned. An application for the reissuance of a permit will not be considered a new application. The fee for a reissued permit shall be the same as for an initial permit.

(k) *Transfer.* A permit issued under this part is not transferable or assignable. A permit will be valid only for the fishing vessel, owner and/or person for which it is issued.

(l) *Display.* A vessel permit must be carried, at all times, on board the vessel for which it is issued and shall be

subject to inspection upon request by any authorized officer. A person issued a permit under this section must be able to present the permit for inspection when requested by an authorized officer. Permits must be maintained in legible condition.

(m) *Sanctions.* The Assistant Administrator may suspend, revoke, or modify, any permit issued or sought under this section. Procedures governing enforcement-related permit sanctions or denials are found at subpart D of 15 CFR part 904.

board, a valid operator permit. An operator's permit issued pursuant to part 622 or part 697 of this chapter satisfies the permitting requirement of this section. This requirement does not apply to operators of recreational vessels.

(b) *Operator permit application.* Applicants for a permit under this section must submit a completed application on an appropriate form provided by the Regional Administrator. The application must be signed by the applicant and submitted to the Regional Administrator at least 30 days before the date upon which the applicant desires to have the permit made effective. The Regional Administrator will notify the applicant of any deficiency in the application, pursuant to this section.

(c) *Condition.* Vessel operators who apply for an operator's permit under this section must agree as a condition of this permit that the operator and vessel's fishing, catch, crew size, and pertinent gear (without regard to whether such fishing occurs in the EEZ or landward of the EEZ, and without regard to where such fish or gear are possessed, taken, or landed) are subject to all requirements of this part while fishing in the EEZ or on board a vessel for which a permit is issued under § 648.4, unless exempted from such requirements under § 648.12. The vessel and all such fishing, catch, and gear will remain subject to all applicable state or local requirements. Further, such operators must agree, as a condition of this permit, that, if the permit is suspended or revoked pursuant to 15 CFR part 904, the operator cannot be aboard any fishing vessel issued a Federal fisheries permit or any vessel subject to Federal fishing regulations while the vessel is at sea or engaged in offloading. If a requirement of this part and a management measure required by state or local law differ, any operator issued a permit under this part must comply with the more restrictive requirement.

(d) *Information requirements.* An applicant must provide at least all the following information and any other information required by the Regional Administrator: Name, mailing address, and telephone number; date of birth; hair color; eye color; height; weight; and signature of the applicant. The ap-

plicant must also provide two recent (no more than 1 year old), color, passport-size photographs.

(e) *Fees.* Same as § 648.4(d).

(f) *Issuance.* Except as provided in subpart D of 15 CFR part 904, the Regional Administrator shall issue an operator's permit within 30 days of receipt of a completed application, if the criteria specified herein are met. Upon receipt of an incomplete or improperly executed application, the Regional Administrator will notify the applicant of the deficiency in the application. If the applicant fails to correct the deficiency within 30 days following the date of notification, the application will be considered abandoned.

(g) *Expiration.* Same as § 648.4(g).

(h) *Duration.* A permit is valid until it is revoked, suspended or modified under 15 CFR part 904, or otherwise expires, or the applicant has failed to report a change in the information on the permit application to the Regional Administrator as specified in paragraph (k) of this section.

(i) *Reissuance.* Reissued permits, for otherwise valid permits, may be issued by the Regional Administrator when requested in writing by the applicant, stating the need for reissuance and the Federal operator permit number assigned. An applicant for a reissued permit must also provide two recent, color, passport-size photos of the applicant. An application for a reissued permit will not be considered a new application. An appropriate fee may be charged.

(j) *Transfer.* Permits issued under this part are not transferable or assignable. A permit is valid only for the person to whom it is issued.

(k) *Change in permit application information.* Notice of a change in the permit holder's name, address, or telephone number must be submitted in writing to, and received by, the Regional Administrator within 15 days of the change in information. If written notice of the change in information is not received by the Regional Administrator within 15 days, the permit is void.

(l) *Alteration.* Same as § 648.4(i).

(m) *Display.* Any permit issued under this part must be maintained in legible condition and displayed for inspection

upon request by any authorized officer or NMFS official.

(n) *Sanctions.* Vessel operators with suspended or revoked permits may not be aboard a federally permitted fishing vessel in any capacity while the vessel is at sea or engaged in offloading. Procedures governing enforcement related permit sanctions and denials are found at subpart D of 15 CFR part 904.

(o) *Vessel owner responsibility.* Vessel owners are responsible for ensuring that their vessels are operated by an individual with a valid operator's permit issued under this section.

§ 648.6 Dealer/processor permits.

(a) *General.* (1) All dealers of NE multispecies, monkfish, skates, Atlantic herring, Atlantic sea scallop, Atlantic deep-sea red crab, spiny dogfish, summer flounder, Atlantic surf clam, ocean quahog, Atlantic mackerel, squid, butterfish, scup, bluefish, tilefish, and black sea bass; Atlantic surf clam and ocean quahog processors; and Atlantic herring processors or dealers, as described in § 648.2; must have been issued under this section, and have in their possession, a valid permit or permits for these species. A person who meets the requirements of both the dealer and processor definitions of any of the aforementioned species' fishery regulations may need to obtain both a dealer and a processor permit, consistent with the requirements of that particular species' fishery regulations. Persons aboard vessels receiving small-mesh multispecies, skates, and/or Atlantic herring at sea for their own use exclusively as bait are deemed not to be dealers, and are not required to possess a valid dealer permit under this section, for purposes of receiving such small-mesh multispecies, skates, and/or Atlantic herring, provided the vessel complies with the provisions of § 648.13. Persons aboard vessels receiving transfers of scup at sea from other vessels are deemed not

to be dealers, and are not required to possess a valid dealer permit under this section, for purposes of receiving scup, provided the vessel complies with § 648.13(i)(2).

(2) *At-sea processors.* Notwithstanding the provisions of § 648.4(a)(5), any vessel of the United States must have been issued and carry on board a valid at-sea processor permit issued under this section to receive over the side, possess and process Atlantic mackerel harvested in or from the EEZ by a lawfully permitted vessel of the United States.

(b) *Dealer/processor permit applications.* Same as § 648.5(b).

(c) *Information requirements.* Applications must contain at least the following information, as applicable, and any other information required by the Regional Administrator: Company name, place(s) of business (principal place of business if applying for a surf clam and ocean quahog permit), mailing address(es) and telephone number(s), owner's name, dealer permit number (if a renewal), name and signature of the person responsible for the truth and accuracy of the application, a copy of the certificate of incorporation if the business is a corporation, and a copy of the partnership agreement and the names and addresses of all partners, if the business is a partnership, name of at-sea processor vessel, and current vessel documentation papers.

(d) *Fees.* Same as § 648.4(d).

(e) *Issuance.* Except as provided in subpart D of 15 CFR part 904, the Regional Administrator will issue a permit at any time during the fishing year to an applicant, unless the applicant fails to submit a completed application. An application is complete when all requested forms, information, and documentation have been received and the applicant has submitted all applicable reports specified in § 648.7 during the 12 months immediately preceding the application. Upon receipt of an incomplete or improperly executed application, the Regional Administrator will notify the applicant of the deficiency in the application. If the applicant fails to correct the deficiency within 30 days following the date of notification, the application will be considered abandoned.
