

## §92.12

(5) Keep the residents of villages within the region informed of issues related to the subsistence harvest of migratory birds.

(6) Work cooperatively with the U.S. Fish and Wildlife Service and the Alaska Department of Fish and Game to gather harvest data, numbers of subsistence users, and other management data and traditional knowledge for the benefit of the management bodies.

(c) *Regional management bodies.* (1) Regional management bodies must provide a forum for the collection and expression of opinions and recommendations regarding spring and summer subsistence harvesting of migratory birds. They must develop requests and recommendations from the region to be presented to the Co-management Council for deliberation. They must provide for public participation in the meetings at which recommendations and requests are formulated.

(2) Requests and recommendations to the Co-management Council may involve seasons and bag limits, methods and means, law enforcement policies, population and harvest monitoring, education programs, research and use of traditional knowledge, habitat protection, and other concerns related to migratory bird subsistence programs.

(3) Regional management bodies may be established specifically for the purpose of carrying out the responsibilities identified in this part, or they may be existing entities that can add these responsibilities to their existing duties.

### **§92.12 Relationship to the process for developing national hunting regulations for migratory game birds.**

(a) *Flyway councils.* (1) Proposed annual regulations recommended by the Co-management Council will be submitted to all flyway councils for review and comment. The Council's recommendations must be submitted prior to the SRC's last regular meeting of the calendar year in order to be approved for spring/summer harvest beginning March 11 of the following calendar year.

(2) Alaska Native representatives may be appointed by the Co-manage-

ment Council to attend meetings of one or more of the four flyway councils to discuss recommended regulations or other proposed management actions.

(b) *Service regulations committee.* Proposed annual regulations recommended by the Co-management Council will be submitted to the Service Regulations Committee for their review and recommendation to the Service Director. Following the Service Director's review and recommendation, the proposals will be forwarded to the Department of Interior for approval. Proposed annual regulations will then be published in the FEDERAL REGISTER for public review and comment, similar to the annual migratory game bird hunting regulations (found in part 20 of this chapter). Final spring/summer regulations for Alaska will be published in the FEDERAL REGISTER in the preceding Fall.

### **§§ 92.13–92.19 [Reserved]**

## **Subpart C—General Regulations Governing Subsistence Harvest**

### **§92.20 Methods and means.**

You may not use the following devices and methods to harvest migratory birds:

(a) Swivel guns, shotguns larger than 10 gauge, punt guns, battery guns, machine guns, fish hooks, poisons, drugs, explosives, or stupefying substances;

(b) Shooting from a sinkbox or any other type of low-floating device that affords the hunter a means of concealment beneath the surface of the water;

(c) Hunting from any type of aircraft;

(d) Taking waterfowl and other species using live birds as decoys, except for auklets on Diomedea and St. Lawrence islands (Use of live birds as decoys is a customary and traditional means of harvesting auklets on Diomedea and St. Lawrence islands.);

(e) Hunting with the aid of recorded bird calls;

(f) Using any type of vehicle, aircraft, or boat for the purpose of concentrating, driving, rallying, or stirring up of any migratory bird, except boats may be used to position a hunter;
