

## Commodity Futures Trading Commission

## § 1.36

interval required by paragraph (j)(1) of this section.

(4) A member of the contract market must record trades in the manner prescribed by paragraph (d)(2) of this section.

(5) Trading cards prepared by a member of the contract market must contain the identifying information prescribed by paragraph (d)(4) of this section.

(6) A member of the contract market must be accountable for all trading cards prepared pursuant to contract market rules in exact numerical sequence, whether or not such trading cards are relied on as original source documents.

(7) A member of the contract market must identify on his trading cards trades executed during opening and closing periods either by drawing a line on the trading card to separate those trades from others recorded thereon or by some other method. Each contract market must designate as opening and closing periods for this purpose those periods upon which the opening and closing trading ranges are based for each of its markets.

(8) A member of the contract market must complete trades in non-erasable ink in the manner prescribed by paragraph (d)(7)(ii) of this section.

(k) *Collection of trading cards in intervals not to exceed 15 minutes.* The Commission, in its discretion, may publish a schedule in the FEDERAL REGISTER no earlier than 11 months after paragraph (j)(1) of this section becomes effective, indicating when the records required to be submitted pursuant to that paragraph must be submitted to contract market personnel or the clearing member within 15 minutes of designated intervals not to exceed 15 minutes, commencing with the beginning of each trading session.

(l) A contract market which can demonstrate that it currently has available hand-held terminals or such other automated means for the recordation of trades which can eliminate the opportunity for improper alteration or fabrication of trading records, may petition the Commission for an exemp-

tion from Regulations 1.35(a-1) (2) and (4), (d), (j) or (k), as appropriate.

### **§ 1.36 Record of securities and property received from customers and option customers.**

(a) Each futures commission merchant shall maintain, as provided in § 1.31, a record of all securities and property received from customers or option customers in lieu of money to margin, purchase, guarantee, or secure the commodity or commodity option transactions of such customers or option customers. Such record shall show separately for each customer or option customer: a description of the securities or property received; the name and address of such customer or option customer; the dates when the securities or property were received; the identity of the depositories or other places where such securities or property are segregated; the dates of deposits and withdrawals from such depositories; and the dates of return of such securities or property to such customer or option customer, or other disposition thereof, together with the facts and circumstances of such other disposition. In the event any futures commission merchant deposits with the clearing organization of a contract market, directly or with a bank or trust company acting as custodian for such clearing organization, securities and/or property which belong to a particular customer or option customer, such futures commission merchant shall obtain written acknowledgment from such clearing organization that it was informed that such securities or property

### 17 CFR Ch. I (4-1-07 Edition)

belong to customers or option customers of the futures commission merchant making the deposit. Such acknowledgment shall be retained as provided in § 1.31.

(b) Each clearing organization of a contract market which receives from members securities or property belonging to particular customers or option customers of such members in lieu of money to margin, purchase, guarantee, or secure the commodity or commodity option transactions of such customers or option customers, or receives notice that any such securities or property have been received by a bank or trust company acting as custodian for such clearing organization, shall maintain, as provided in § 1.31, a record which will show separately for each member, the dates when such securities or property were received, the identity of the depositories or other places where such securities or property are segregated, the dates such securities or property were returned to the member, or otherwise disposed of, together with the facts and circumstances of such other disposition including the authorization therefor.

#### **§ 1.37 Customer's or option customer's name, address, and occupation recorded; record of guarantor or controller of account.**

(a)(1) Each futures commission merchant, introducing broker, and member of a contract market shall keep a record in permanent form which shall show for each commodity futures or option account carried or introduced by it the true name and address of the person for whom such account is carried or introduced and the principal occupation or business of such person as well as the name of any other person guaranteeing such account or exercising any trading control with respect to such account. For each such commodity option account, the records kept by such futures commission merchant, introducing broker, and member of a contract market must also show

the name of the person who has solicited and is responsible for each option customer's account or assign account numbers in such a manner to identify that person.

(2) Each futures commission merchant who receives a customer's election not to have the customer's funds separately accounted for and segregated, in accordance with § 1.68, shall keep a record in permanent form that indicates such customer's election. The record of such a customer election may be indicated on the record required by paragraph (a)(1) of this section.

(b) As of the close of the market each day, each futures commission merchant which carries an account for another futures commission merchant, foreign broker (as defined in § 15.00 of this chapter), member of a contract market, or other person, on an omnibus basis shall maintain a daily record for each such omnibus account of the total open long contracts and the total open short contracts in each future and, for commodity option transactions, the total open put options purchased, the total open put options granted, the total open call options purchased, and the total open call options granted for each commodity option expiration date.

(c) Each designated contract market shall keep a record in permanent form, which shall show the true name, address, and principal occupation or business of any foreign trader executing transactions on the facility or exchange. In addition, upon request, a designated contract market shall provide to the Commission information regarding the name of any person guaranteeing such transactions or exercising any control over the trading of such foreign trader.

(d) Paragraph (c) of this section shall not apply to a designated contract market on which transactions in futures or option contracts of foreign traders are executed through, or the resulting transactions are maintained in, accounts carried by a registered futures commission merchant or introduced by a registered introducing
